Editorial Review

Review

“Josephine Tey has always been absolutely reliable in producing original and mysterious plots with interesting characters and unguessable endings.”

— *Spectator*

"Witty, ingenious, and makes one regret that there will be no more from the same pen."

— *Sphere*

From the Paperback edition.

About the Author

Josephine Tey began writing full-time after the successful publication of her first novel, *The Man in the Queue* (1929), which introduced Inspector Grant of Scotland Yard. She died in 1952, leaving her entire estate to the National Trust.

From [AudioFile](#)

Josephine Tey's murder mysteries are gems of the genre, and Stephen Thorne is as good a reader as Tey is a writer. When a beautiful film star turns up drowned, Tey's Inspector Grant of Scotland Yard must sort through an array of British types that include seen-it-all actors; a brilliant and eccentric girl-child; a chief suspect of such charm that no one, including the Inspector, believes him guilty; a society astrologer; and any number of pushy tabloid reporters. Thorne renders these characters with wonderful wit and skill. B.G. © AudioFile 2001, Portland, Maine-- *Copyright © AudioFile, Portland, Maine*

Users Review

From reader reviews:

Lori Parker:

Within other case, little individuals like to read book A Shilling for Candles. You can choose the best book if you like reading a book. So long as we know about how is important a new book A Shilling for Candles. You can add knowledge and of course you can around the world by way of a book. Absolutely right, simply because from book you can understand everything! From your country until finally foreign or abroad you will end up known. About simple thing until wonderful thing it is possible to know that. In this era, we are able to open a book or perhaps searching by internet gadget. It is called e-book. You should use it when you feel uninterested to go to the library. Let's study.

Jeffrey Martinez:

As people who live in the particular modest era should be up-date about what going on or details even knowledge to make these people keep up with the era that is certainly always change and make progress. Some of you maybe will update themselves by studying books. It is a good choice for you personally but the problems coming to you is you don't know what kind you should start with. This A Shilling for Candles is

our recommendation to cause you to keep up with the world. Why, since this book serves what you want and want in this era.

Della Francis:

Nowadays reading books are more than want or need but also be a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The details you get based on what kind of guide you read, if you want drive more knowledge just go with schooling books but if you want feel happy read one along with theme for entertaining such as comic or novel. The particular A Shilling for Candles is kind of publication which is giving the reader unstable experience.
