Chronicles of Ancient Darkness #2: Spirit Walker By Michelle Paver

A cry echoed through the Forest.
He froze.
It was not the yowl of a vixen, or
a lynx seeking a mate. It was a man.
Or something that had once been a man.
With a creeping sense of dread,
Torak watched the light between the
trees begin to fail. . . .

Torak is a boy apart. A boy who can talk to wolves. A boy who must vanquish
the Soul-Eaters . . . or die trying.

As the Moon of No Dark waxes large, the clans fall prey to a horrifying sickness.
Fear stalks the Forest. The very breath of spring seems poisoned. No one knows
the cause—and only Torak can find the cure.

His quest takes him across the sea to the mysterious islands of the Seal Clan.
Here Torak battles an unseen menace and uncovers a betrayal that will change
his life—forever.

Spirit Walker is a spellbinding story of fellowship, treachery, and self-sacrifice
that takes the reader further on the journey that began in *Wolf Brother*.

Editorial Review

From School Library Journal

Grade 5-9—Torak, Renn, and Wolf are reunited in this eerie, fast-paced Outbreak meets X-Files sequel to Paver's *Wolf Brother* (HarperCollins, 2005). Torak has settled in with the Raven Clan, more or less happily, although he still misses Wolf. This changes when a hideous disease starts attacking not only the Ravens, but the Forest clans as well. Torak is convinced that he has something to do with it and heads out to look for the Seal Clan, who might have a cure. After a terrifying run-in with a boar and the True Forest People, who tell him about the tokoroth, children stolen to become hosts to demons, he is kidnapped by three Seal Clan boys. Renn also knows about the tokoroth and goes in search of Torak. She first meets up with Wolf, and they join forces. On Seal Island, the mage Tenris, who claims to know the cure for the disease, sends Torak and his three kidnapers off on a dangerous expedition to find the secret ingredient. Near death, Torak discovers the ability to Spirit Walk—leave his body and become another creature. He, Renn, and Wolf also learn the truth about the Soul-Eater. Knowledge of events in the first book isn't required to make this a fun read, but newcomers will be clamoring for it, and all will eagerly await the next installment.—*Mara Alpert, Los Angeles Public Library*

Gr. 6-9. This second book in the Chronicles of Ancient Darkness series maintains the momentum and convincing characterizations of *Wolf Brother* (2005). In this story, Torak begins searching for a cure for a plague that is decimating the clans and for the seven Soul-Eaters he is destined to fight. His quest reunites him with his pack-brother Wolf and awakens powers previously unknown to him. Once again, the wealth of wilderness lore adds to the story, which is infused with an inexorable sense of mysterious menace. *Sally Estes*
