Happiness By Todd Solondz

Winner by unanimous vote of the International Critics Prize at the 1998 Cannes Film Festival, Todd Solondz's *Happiness* paints a broad portrait of contemporary suburbia and the demons that haunt it. At its center are three sisters -- Joy, Trish, and Helen -- and the men in their lives: an unreliable boyfriend, a husband who is a therapist, and an anonymous stalker, who turns out to be a neighbor. The most troubled of the men may be Bill, the therapist who is also Trish's husband, as he struggles with his desires for his son Billy's pubescent classmates. When the police begin to close in, everyone's lives -- and everyone's relationships -- are changed forever.

Users Review

From reader reviews:

Thomas Palmer:

Book is actually written, printed, or illustrated for everything. You can understand everything you want by a guide. Book has a different type. As it is known to us that book is important factor to bring us around the world. Next to that you can your reading ability was fluently. A guide Happiness will make you to end up being smarter. You can feel considerably more confidence if you can know about anything. But some of you think this open or reading a book make you bored. It is far from make you fun. Why they are often thought like that? Have you looking for best book or ideal book with you?

Jackie Ballesteros:

Here thing why this Happiness are different and trustworthy to be yours. First of all examining a book is good nonetheless it depends in the content from it which is the content is as tasty as food or not. Happiness giving you information deeper as different ways, you can find any publication out there but there is no book that similar with Happiness. It gives you thrill reading through journey, its open up your personal eyes about the thing in which happened in the world which is maybe can be happened around you. You can easily bring everywhere like in playground, café, or even in your approach home by train. For anyone who is having difficulties in bringing the imprinted book maybe the form of Happiness in e-book can be your alternate.

Carlos Pollard:

Nowadays reading books are more than want or need but also turn into a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book this improve your knowledge and information. The information you get based on what kind of e-book

you read, if you want have more knowledge just go with education books but if you want sense happy read one with theme for entertaining like comic or novel. Often the Happiness is kind of reserve which is giving the reader unpredictable experience.

Erma Ward:

Spent a free time to be fun activity to try and do! A lot of people spent their leisure time with their family, or their friends. Usually they undertaking activity like watching television, going to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? Could be reading a book is usually option to fill your no cost time/ holiday. The first thing that you ask may be what kinds of reserve that you should read. If you want to attempt look for book, may be the publication untitled Happiness can be good book to read. May be it might be best activity to you.
