Knight (Unfinished Heroes) (Volume 1) By Kristen Ashley

Anya Gage has learned that to get anything good in life, you have to work for it. She has no expectations, no dreams. Then she finds herself at a party where she doesn't want to be and she meets Knight. Knight Sebring knows who he is, what he wants and what he likes. And he gets it. But he never expected something as sweet as Anya Gage to wander into his bedroom—during a party he did not expect to be having—to borrow his phone. Knight tries to leave Anya to the life she deserves of white picket fences and a man who watches football on Sundays—good, normal and clean. But when Anya comes to his nightclub and finds herself in a situation, he knows someone has to look after her. He can't fight it anymore, and he decides that man will be him. Knight teaches Anya that, just as with the bad, in life you should also expect the good. And he teaches her this by giving it to her. But Knight has a dark past and just as he desires Anya for exactly who she is, he fears when she finds out exactly the man he has become and always intends to be, she'll leave him for good, normal and clean.

Editorial Review

About the Author

Kristen Ashley grew up in Indiana, but has lived in Colorado and the West Country of England. Thus she has been blessed to have friends and family around the globe. Her posse is loopy (to say the least), but loopy is good when you want to write. Kristen was raised in a house with a large and multi-generational family. They lived on a very small farm in a small town in the heartland and existed amongst the strains of Glenn Miller, The Everly Brothers, REO Speedwagon and Whitesnake (and the wardrobes that matched). Needless to say, growing up in a house full of music, clothes and love was a good way to grow up. And as she keeps growing up, it keeps getting better.

Users Review

From reader reviews:

William Walker:

Reading a publication can be one of a lot of activity that everyone in the world loves. Do you like reading book and so. There are a lot of reasons why people love it. First reading a e-book will give you a lot of new information. When you read a reserve you will get new information mainly because book is one of numerous ways to share the information or their idea. Second, examining a book will make you more imaginative. When you looking at a book especially fictional works book the author will bring that you imagine the story how the personas do it anything. Third, you can share your knowledge to other people. When you read this Knight (Unfinished Heroes) (Volume 1), you can tells your family, friends and soon about yours reserve. Your knowledge can inspire others, make them reading a reserve.

Danny Miller:

Reading a reserve tends to be new life style within this era globalization. With looking at you can get a lot of information that will give you benefit in your life. With book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their own reader with their story as well as their experience. Not only the storyline that share in the books. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors in this world always try to improve their proficiency in writing, they also doing some investigation before they write for their book. One of them is this Knight (Unfinished Heroes) (Volume 1).

Cynthia Bryant:

The book untitled Knight (Unfinished Heroes) (Volume 1) contain a lot of information on the item. The writer explains the girl idea with easy method. The language is very simple to implement all the people, so do certainly not worry, you can easy to read it. The book was authored by famous author. The author brings you in the new period of literary works. You can actually read this book because you can read more your smart phone, or gadget, so you can read the book in anywhere and anytime. In a situation you wish to

purchase the e-book, you can open up their official web-site along with order it. Have a nice learn.

Leonie Blazek:

Many people spending their period by playing outside with friends, fun activity together with family or just watching TV the entire day. You can have new activity to shell out your whole day by looking at a book. Ugh, do you consider reading a book really can hard because you have to accept the book everywhere? It okay you can have the e-book, bringing everywhere you want in your Smart phone. Like Knight (Unfinished Heroes) (Volume 1) which is finding the e-book version. So , try out this book? Let's observe.
