**Last Rituals: A Novel of Suspense (Thora Gudmundsdottir Book 1)** By Yrsa Sigurdardottir

At a university in Reykjavík, the body of a young German student is discovered, his eyes cut out and strange symbols carved into his chest. Police waste no time in making an arrest, but the victim's family isn't convinced that the right man is in custody. They ask Thóra Gudmundsdóttir, an attorney and single mother of two, to investigate. It isn't long before Thóra and her associate, Matthew Reich, uncover the deceased student's obsession with Iceland's grisly history of torture, execution, and witch hunts. But there are very contemporary horrors hidden in the long, cold shadow of dark traditions. And for two suddenly endangered investigators, nothing is quite what it seems . . . and no one can be trusted.

### **Editorial Review**

From Publishers Weekly

Similar in plot to Swedish author Helene Tursten's *The Glass Devil*, this first in a new series from Icelandic author Sigurdardottir offers little readers have not seen before. As with Tursten's novel, the spectre of demon-worship is at the heart of the mystery, after the strangled corpse of Harald Guntlieb is discovered with his eyes gouged out. Guntlieb, a German student, was attending graduate school in Iceland, examining the latter country's history of witch-hunting, an academic pursuit that may have taken on more personal overtones. His grieving parents, who had already suffered the loss of a child, enlist attorney and single mother Thóra Gudmundsdóttir to objectively assess the police case against a drug addict arrested for the murder. Aided by an attractive ex-German police officer, Gudmundsdóttir diligently tracks down the dead man's friends and colleagues, before arriving at the truth. The author gives less of a sense of her native land than other contemporary Scandinavian crime writers like Karin Fossum, and the identity of the killer will surprise few.
