Small World By Martin Suter

Conrad Lang, la soixantaine, est soudain atteint par la maladie d'Alzheimer. Ses pertes de mémoire vont paradoxalement devenir le moteur d'une enquête sur le trouble passé familial. Enfant illégitime d'une servante et compagnon d'un fils de milliardaire dont il partagea l'existence, Conrad a toujours désiré être intégré à sa riche famille d'adoption. Mais lorsqu'enfin il y parvient, c'est pour révéler de bien sombres secrets... Peinture de la grande bourgeoisie suisse et du petit peuple, la double réussite de ce roman consiste à décrire en même temps la perte de la mémoire et les efforts pour la reconstituer. Small World est tout à la fois un roman social, l'étude d'un cas médical, un roman policier à suspense, et un formidable récit sur le sens de la vie.

Users Review

From reader reviews:

Deborah Rinehart:

Hey guys, do you want to find a new book to see? Maybe the book with the concept Small World suitable to you? The book was written by a famous writer in this era. The particular book titled Small World is the main one of several books that everyone reads now. This particular book has inspired lots of people in the world. When you read this guide you will enter the new shape that you have never known before. The author explained their thought in a simple way, and so all of us can easily comprehend the core of this reserve. This book will give you a lot of information about this world now. To help you see the representation of the world in this book.

Henry Robinson:

Reading can be called a head hangout, why? Because when you find yourself reading a book specially a book entitled Small World the mind will drift away through every dimension, wandering in every single aspect that maybe unidentified for but surely can become your mind friends. Imaging every word written in a reserve then become one contact form conclusion and explanation this maybe you never get ahead of. The Small World giving you a different experience more than blown away your mind but also giving you useful information for your better life on this era. So now let us teach you the relaxing pattern here is your body and mind will likely be pleased when you are finished looking at it, like winning a sport. Do you want to try this extraordinary wasting spare time activity?

Shawn McDonald:

This Small World is a great e-book for you because the content which can be full of information for you who always deal with the world and get to make a decision every minute. This book reveals its data accurately using great plain words or we can claim no rambling sentences within it. So if you are reading this hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but tough core information with lovely delivering sentences. Having Small World in your hand like keeping the world in your arm, facts in it is not ridiculous one particular. We can say that no publication that offers you the world within ten or fifteen tiny rights but this publication already does that. So, this really is a good reading book. Hello Mr. and Mrs. busy do you still doubt that?

Jack Scala:

That publication can make you to feel relax. This kind of book Small World was colorful and of course has pictures around. As we know that book Small World has many kinds or genre. Start from kids until youngsters. For example Naruto or Private investigator Conan you can read and think you are the character on there. So , not at all of book usually are make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book for you personally and try to like reading that.
