Sweet Liar (The Montgomery/Taggart Family Book 6) By Jude Deveraux

Beloved bestselling author Jude Deveraux follows a savvy young woman into the intriguing heart of a past mystery—and into the arms of a once-in-a-lifetime love.

It was her father's dying wish that Samantha Elliot search for her grandmother, who'd disappeared from Louisville when she was a baby. So here she was in New York City...her parents dead, her divorce final, and she was all alone....

Michael Taggart was Samantha's landlord—and she was charmed by this handsome, life-loving man. Yet every time Mike tried to get closer to Samantha, he ran into a brick wall. Now, as he helps her unravel her grandmother's past—and the dangerous truth about a fateful spring night in 1928 and a seductive jazz singer—Mike slowly reawakens the joy and affection Samantha had buried long ago...

Editorial Review

From Publishers Weekly

Perennial bestseller Deveraux (*The Duchess*) involves yet another spunky heroine in a formulaic romance. After her divorce and her father's death in early 1991, 28-year-old Sam Elliott arrives in New York City to search for clues to the riddle of her grandmother's mysterious 1964 disappearance. Her father's will directs her to spend a year on this quest while renting an apartment from his young friend Mike Taggart, who is writing a book about Prohibition-era gangster Doc Barrett. Mike needs Sam's assistance to land an interview with the still-living Barrett, and despite her fear of her dangerously attractive landlord she becomes increasingly involved with his work and attracted to both him and his large, loving family; she also comes closer to the truth about her grandmother's bizarre past. Deveraux knows Manhattan and provides entertaining descriptions of the speakeasy age in Harlem, but her cliché-laden dialogue makes it seem that her characters speak English as a second language. The highly improbable story line, overloaded with convoluted plots and subplots, will discourage even the most die-hard romance fan. Literary Guild and Doubleday Book Club main selections.

From Kirkus Reviews

Huge-selling historical-romancer Deveraux (*The Duchess*, *A Knight in Shining Armor*, etc.) moves from 19th-century Scotland to present-day Manhattan for this valentine to conspicuous consumption--here, starring a self-righteous heroine with the inchoate inconstancy of a hormone-addled 12-year-old. Orphaned at 28 by her father's death, Samantha Elliott has "seen more death than most people experience in a lifetime." First, she lost her grandparents; now both parents are dead. Fresh from New Mexico, Samantha is in New York to honor her father's will, which requires her to live there for a year while searching for the grandmother who disappeared when she was a toddler. But Samantha is soon paralyzed by depression and a morbid fear of the city; fortunately, though, Superman is close at hand in the muscle-bound person of Samantha's landlord, tall-dark-'n'-handsome Mike Taggart--who gives her the most passionate kiss of her life when they first meet and before they've exchanged even a word. Together, Samantha and Mike will reconstruct her grandmother's fate (much of which is strikingly similar to the 1985 movie *Maxie*). In the process, Samantha has an emotional reunion with her only surviving relative, gradually gets back in touch with her feelings, and discovers in herself a passion for shopping so pure that she sings paeans even to the "very pretty lavatory" in a Ralph Lauren shop. And, yes, she falls hard for Mike, who gets her pregnant and then marries her, a true hero for the '90s. Super-dumb and super-tedious.
