The London Eye Mystery By Siobhan Dowd

A five-star mystery now in paperback!

Ted and Kat watched their cousin Salim board the London Eye, but after half an hour it landed and everyone trooped off—except Salim. Where could he have gone? How on earth could he have disappeared into thin air? Ted and his older sister, Kat, become sleuthing partners, since the police are having no luck. Despite their prickly relationship, they overcome their differences to follow a trail of clues across London in a desperate bid to find their cousin. And ultimately it comes down to Ted, whose brain works in its own very unique way, to find the key to the mystery.

This is an unput-downable spine-tingling thriller—a race against time.

★ “Everything rings true here, the family relationships, the quirky connections of Ted’s mental circuitry, and, perhaps most surprising, the mystery.”—*Booklist*, Starred

★ “The best mysteries have at their centers gifted but very human sleuths—their abilities balanced by equally significant flaws or idiosyncrasies. This one is no exception.”—*The Horn Book Magazine*, Starred

Editorial Review

From [Booklist](#)

Starred Review The facts seem simple enough. While their mothers have coffee, Ted and his older sister, Kat, and their cousin, Salim, wait in a queue to ride the London Eye, an observation wheel that allows those locked in the glass-and-steel capsules to see 25 miles in every direction. A stranger from the front of the line offers one free ticket, and since Salim is the visitor, stopping in London before moving with his mum to New York, he takes it. Ted and Kat see him enter the capsule and follow his ride, but to their shock, he doesn't exit with his fellow riders. This book, very different from Dowd's searing *A Swift Pure Cry* (2007), is much more than a taut mystery. In *Ted*, Dowd offers a complex young hero, whose "funny brain . . . runs on a different operating system" (seemingly Asperger's Syndrome) and who is obsessed with shipping forecasts and with his inability to connect well with others. After several long days have passed with no sign of Salim, Ted must use the skills he has and overcome some of his personal challenges to find his cousin. Everything rings true here, the family relationships, the quirky connections of Ted's mental circuitry, and, perhaps most surprisingly, the mystery. So often the mechanics of mystery don't bear close scrutiny, but that's not so here. A page turner with heft. Grades 5-8. --Ilene Cooper

Review

Starred review, [Publishers Weekly](#), December 3, 2007:

"Grabs readers from the beginning and doesn't let go."

Starred review, [Booklist](#), January 1, 2008:

"Everything rings true here, the family relationships, the quirky connections of Ted's mental circuitry, and, perhaps most surprisingly, the mystery."

Starred review, [Kirkus Reviews](#), December 15, 2007:

"This is a well-constructed puzzle, and mystery lovers will delight in connecting the clues."

Starred review, [School Library Journal](#), February 2008:

"A dense mystery tied together with fully fleshed out characters and a unique narrator."

Starred review, [The Horn Book](#), May/June 2008:

"The best mysteries have at their centers gifted but very human sleuths—their abilities balanced by equally significant flaws or idiosyncrasies. This one is no exception."

From the Hardcover edition.

Siobhan Dowd was named one of the "top 100 Irish-Americans" for her global anti-censorship work with the writers' organization PEN America. Siobhan Dowd's novels include *A Swift Pure Cry*, for which she was named a *Publishers Weekly* Flying Start author, and *Bog Child*. She died in August 2007 from breast cancer.

Users Review

From reader reviews:

Yasmin Parker:

Information is provisions for folks to get better life, information presently can get by anyone from everywhere. The information can be a understanding or any news even a huge concern. What people must be consider while those information which is inside the former life are hard to be find than now is taking seriously which one would work to believe or which one typically the resource are convinced. If you get the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen with you if you take The London Eye Mystery as the daily resource information.

Patty Shield:

Precisely why? Because this The London Eye Mystery is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will distress you with the secret this inside. Reading this book beside it was fantastic author who also write the book in such awesome way makes the content within easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of benefits than the other book have such as help improving your talent and your critical thinking technique. So , still want to postpone having that book? If I ended up you I will go to the e-book store hurriedly.

Charlie Attwood:

Many people spending their period by playing outside having friends, fun activity with family or just watching TV all day every day. You can have new activity to shell out your whole day by examining a book. Ugh, ya think reading a book can definitely hard because you have to use the book everywhere? It fine you can have the e-book, getting everywhere you want in your Smartphone. Like The London Eye Mystery which is keeping the e-book version. So , why not try out this book? Let's see.

Shirley Bishop:

As we know that book is very important thing to add our know-how for everything. By a book we can know everything we would like. A book is a pair of written, printed, illustrated or perhaps blank sheet. Every year had been exactly added. This book The London Eye Mystery was filled with regards to science. Spend your spare time to add your knowledge about your scientific disciplines competence. Some people has several feel when they reading a book. If you know how big benefit of a book, you can feel enjoy to read a publication. In the modern era like now, many ways to get book that you wanted.
