The Person: A New Introduction to Personality Psychology, Fourth Edition

By Dan P. McAdams

Experience the story of a lifetime

When you want to truly get to know a person, dates and facts about their life will only tell you so much. You need to look at the stories that define that person's life, as well as their individual traits and characteristics, as defined by human nature and culture.

When it comes to studying personality, the larger story matters most of all. In *The Person: An Integrated Introduction to Personality Psychology, Fourth Edition*, Dan McAdams presents a bold and integrative vision for personality psychology that puts many different ideas into a meaningful structure. With this text, you can understand the larger story, and discover how powerful and useful studying personality psychology is today.

The text begins with fundamental evolutionary, social, and cultural contexts for understanding personality, followed by an examination of the three different levels of an individual's personality:

- Dispositional traits, a person's general tendencies.
- Characteristic adaptations, a person's desires, beliefs, concerns, and coping mechanisms.
- Life stories, the stories that give a life a sense of unity, meaning, and purpose.

Key Features:

- * New streamlined paperback format.
- * Updated with recent research findings to engage professors and students alike.
- * Presents a clear unifying vision for the field of personality psychology.

- * Brings together the best from traditional personality theories and contemporary research.
- * Addresses the most important questions that people can ask about their own lives and about human life in general.

Users Review

From reader reviews:

Eileen Smith:

Throughout other case, little men and women like to read book The Person: A New Introduction to Personality Psychology, Fourth Edition. You can choose the best book if you'd prefer reading a book. Provided that we know about how is important any book The Person: A New Introduction to Personality Psychology, Fourth Edition. You can add information and of course you can around the world by the book. Absolutely right, simply because from book you can recognize everything! From your country until eventually foreign or abroad you will find yourself known. About simple issue until wonderful thing you could know that. In this era, you can open a book or even searching by internet device. It is called e-book. You can use it when you feel uninterested to go to the library. Let's read.

Clyde Harlan:

Nowadays reading books be than want or need but also work as a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want get more knowledge just go with training books but if you want truly feel happy read one together with theme for entertaining for example comic or novel. Often the The Person: A New Introduction to Personality Psychology, Fourth Edition is kind of guide which is giving the reader unstable experience.

Joseph Singleton:

Reading a e-book tends to be new life style with this era globalization. With examining you can get a lot of information that may give you benefit in your life. Using book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Lots of author can inspire their very own reader with their story or perhaps their experience. Not only the story that share in the guides. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on this planet always try to improve their skill in writing, they also doing some analysis before they write to the book. One of them is this The Person: A New Introduction to Personality Psychology, Fourth Edition.

Shawn Hernandez:

That publication can make you to feel relax. This specific book The Person: A New Introduction to Personality Psychology, Fourth Edition was bright colored and of course has pictures on there. As we know that book The Person: A New Introduction to Personality Psychology, Fourth Edition has many kinds or genre. Start from kids until youngsters. For example Naruto or Investigator Conan you can read and believe that you are the character on there. So , not at all of book are generally make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book for yourself and try to like reading which.
