DESCRIPTION:

Breeze is an outcast, a half-breed orphan born into a world torn apart by a thousand years of war. Breeze never knew her elven mother, and when her human father is recalled to the war, he leaves her in the safest place he knows: in the care of a reclusive tinker.

The Tinkerman's inventions are frightening at first -noisy, smelly, dangerous machines with no practical use- but when the war comes home, Breeze sees an opportunity. If she can pull it off, she'll change the world forever. If she fails, she'll be considered a traitor by both lands and will be hunted to her death.
