Fighting Strategies Of Muay Thai: Secrets of Thailand's Boxing Camps By Mark Van Schuyver, Pedro Solana Villalobos

There are three elements of Muay Thai boxing: techniques, tactics and strategy. Most Muay Thai books deal only with techniques. *Fighting Strategies of Muay Thai* is the first book to reveal actual fighting strategies and tactics as taught in the boxing camps in Thailand. Both the author of this book, Mark Van Schuyver, and his partner in this project, Kru Pedro Villalobos, are martial artists. In fact, Villalobos is a professional Muay Thai fighter and trainer who has studied extensively in Thailand with some of the art's most well-known names. And in helping Van Schuyver with this book, Villalobos held back none of the secrets he had picked up in Thailand. Because the elements of timing and the strategies of the Muay Thai system are universal to all types of fighting, this book will be invaluable to Muay Thai fighters and trainers, professional and amateur fighters, and martial artists of all styles, including taekwon do, karate, jujitsu, judo, and no-holds-barred fighting and wrestling. The definitive work on Muay Thai strategies and tactics, *Fighting Strategies of Muay Thai* is a guide to total fight preparation.
