Immersion: 2086 By Sean Kennedy

In 2086, reality is augmented. Dan Hunter is a field investigator for the augmented and virtual cyberspace of Immersion, the most pervasive and dominant technological platform since the invention of the Internet. A strange complaint leads him into a broadcast storm of living weapons and sensual religious orders, all filtered through augmented and virtual reality circles that spin at the speed of light. A world of evolved black projects and terrible secrets left to fester in the upper atmosphere. Once exposed, those secrets could change mankind forever!
