Introducing Translation Studies: Theories and Applications (Volume 1) By Jeremy Munday

This is the definitive guide to the theories and concepts that make up the dynamic field of translation studies. Providing an accessible and fully up-to-date overview of key movements and theorists within an expanding area of study, this textbook has become a key source for generations of translation students on both professional and university courses.

New features in this third edition include:

- the latest research incorporated into each chapter, including linguistic precursors, models of discourse and text analysis, cultural studies and sociology, the history of translation, and new technologies
- a new chapter with guidelines on writing reflective translation commentaries and on preparing research projects and dissertations
- more examples throughout the text
- revised exercises and updated further reading lists throughout
- a major new companion web site with video summaries of each chapter, multiple-choice tests, and broader research questions.

This is a practical, user-friendly textbook that gives a comprehensive insight into how translation studies has evolved, and is still evolving. It is an invaluable resource for anyone studying this fascinating subject area.

Editorial Review

Review

'The third edition is written in exceptionally clear and user-friendly style with not only a new chapter dedicated to Research and Commentary Project but also a lucid account of classic topics such as faithfulness and equivalence. To reflect the nature of the link between translation theories and practice, Jeremy Munday has added case studies in each chapter to offer practical examples of how theories can be applied in the real world. The discussion and research points at the end of each topic will be welcomed by students, teachers and researchers alike... Readers who may have no previous knowledge of translation studies may also find the book interesting and illuminating.' – *Susan Xu Yun, SIM University, Singapore*

About the Author

Jeremy Munday is Professor of Translation studies at the University of Leeds and has also worked as a freelance translator. He is author of *Style and Ideology in Translation* (The Routledge Companion to Translation Studies, 2008) and *Evaluation in Translation* (Routledge, 2012), editor of (2009) and co-author, with Basil Hatim, of *Translation: An Advanced Resource Book* (Routledge, 2004).

Users Review
