### Editorial Review

#### Review

The characters are legendary: King Arthur, Lady Guinevere, the wizard Merlin, the sorceress Morgan le Fay, the knights of the Round Table. Their stories are rich in magic and intrigue.

In one adventure, Arthur will lose his life unless he can discover the answer to this riddle: What do women most desire? Arthur asks many people and receives many different answers. Some say that women chiefly desire wealth. Some say beauty. Some say the power to please others. Feeling that none of the answers is right, Arthur searches on. But time is running out. --**From the Publisher**
