### A Coptic Handbook of Ritual Power (The Macquarie Papyri) (Coptic Edition) By Malcolm Choat

This volume publishes a new Coptic handbook of ritual power, comprising a complete 20 page parchment codex from the second half of the first millennium AD. It consists of an invocation including both Christian and Gnostic elements, ritual instructions, and a list of twenty-seven spells to cure demonic possession, various ailments, the effects of magic, or to bring success in love and business. The codex is not only a substantial new addition to the corpus of magical texts from Egypt, but, in its opening invocation, also provides new evidence for Sethian Gnostic thought in Coptic texts.

*A Coptic Handbook of Ritual Power* is the first volume in the series *The Macquarie Papyri*, which will publish the papyri in the collection of the Museum of Ancient Cultures, Macquarie University (Sydney, Australia).
