Editorial Review

Review

"A mandatory purchase for all types of comprehensive libraries, both public and university, as well as for those interested in or doing research in the field of virology." --**Military Medicine** "This serial...is well known to virologists. It is a valuable aid in maintaining an overview of various facets of the rapidly expanding fields of virology...Timely, informative, and useful to the student, teacher, and research scientist." --**American Scientist**

Users Review
