Essentials of Sociology (Fifth Edition) By Anthony Giddens, Mitchell Duneier, Richard P. Appelbaum, Deborah Carr

The textbook that helps students see the big picture of sociology.

Essentials of Sociology moves students beyond their individual experiences by highlighting the macro social forces at work in our everyday lives. New “Digital Life” features in the Fifth Edition encourage students to think critically about how the Internet and smartphones are transforming the way we date, manage our health, and even practice religion. Innovative pedagogy, including end-of-chapter concept maps and a goal-focused organization, help students master the core concepts and see the big picture.

Editorial Review

About the Author

Anthony Giddens, former director of the London School of Economics and a current member of the House of Lords, is a world-renowned social theorist who has written over forty books. He has written on just about every major topic in sociology but is best known for his work on modernization theory and globalization.

Mitchell Duneier is an award-winning urban ethnographer at Princeton University and the City University of New York Graduate Center. He is most famous for his book *Sidewalk*, which won the Los Angeles Times Book Prize. Duneier's research focuses on the urban poor and other groups in the margins of society.

Richard P. Appelbaum, the MacArthur chair of Global Studies at the University of California, Santa Barbara, has won several awards for his teaching and works mainly on globalization and labor issues. Appelbaum is the coauthor of *Behind the Label*.

Deborah Carr is a demographer and an active teacher at Rutgers University, where she regularly teaches the intro course. Her work focuses on sociology of the life course, aging, social psychology, and gender. Carr's latest book, *Worried Sick: How Stress Hurts Us and How to Bounce Back*, looks at how stress gets under our skin, makes us sick, and how and why people cope with stress differently.

Valerie Little:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's internal or real their interest. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Essentials of Sociology (Fifth Edition) can make you experience more interested to read.
