Shades of Blue By Karen Kingsbury

Brad Cutler, twenty-eight, is a rising star at his New York ad agency, about to marry the girl of his dreams. Anyone would agree he has it all ... a great career, a beautiful and loving fiancée, and a fairy tale life ahead of him—when memories of a high school girlfriend begin to torment him. Lost innocence and one very difficult choice flood his conscience, and he is no longer sure what the future will bring except for this: He must find his old love and make amends. Haunted by the past and confused about the future, he turns to God seeking forgiveness and redemption. Three people must work through the repercussions of a decision made long ago before any of them can look toward a new future.

Editorial Review

From Publishers Weekly

The author of more than 40 bestselling fiction titles whose combined sales hover near 15 million, Kingsbury takes her loyal faith-based fans on an exploration of the emotional and spiritual effects of abortion. Interestingly, the author frames the story through a young adult male character, Brad Cutler, an up-and-coming ad agency executive; he revisits a former relationship in which he encouraged his pregnant girlfriend to have an abortion. Years later, Brad continues to feel guilty, and as he readies to marry his fiancée, a new ad campaign for baby clothes has immobilized him. Emma, the former girlfriend, also cannot move past what happened. As the pressure mounts, Brad travels home and reunites with Emma to find closure, but what he discovers in the encounter is far more different than he hoped or expected. Kingsbury tackles a touchy, difficult topic, yet in her characteristic style, her gentle approach wins the day. It will also overcome any reader resistance, no matter what position one takes on this volatile issue. (*Nov.*)

From the Back Cover

In between a checkered past and a fairytale future, a decision awaits. Brad Cutler, twenty-eight, is a rising star at his New York ad agency, about to marry the girl of his dreams. Anyone would agree he has it all---a great career, a beautiful and loving fiancée, and a fairy tale life ahead of him ... when memories of a high school girlfriend begin to torment him. Lost innocence and one very difficult choice flood his conscience, and he is no longer sure what the future will bring except for this: He must go back to the shores of Holden Beach in search of his first love, and a forgiveness neither of them has ever known. Three people must work through the repercussions of a decision made long ago before any of them can look toward a new future.

Users Review

From reader reviews:

Richard Reid:

As people who live in typically the modest era should be revise about what going on or information even knowledge to make these people keep up with the era and that is always change and progress. Some of you maybe will probably update themselves by reading through books. It is a good choice for you personally but the problems coming to an individual is you don't know what kind you should start with. This Shades of Blue is our recommendation to cause you to keep up with the world. Why, because book serves what you want

and want in this era.

Kathryn Mullins:

This Shades of Blue tend to be reliable for you who want to certainly be a successful person, why. The reason of this Shades of Blue can be one of the great books you must have is usually giving you more than just simple studying food but feed a person with information that might be will shock your previous knowledge. This book is definitely handy, you can bring it everywhere and whenever your conditions in e-book and printed people. Beside that this Shades of Blue forcing you to have an enormous of experience like rich vocabulary, giving you trial of critical thinking that could it useful in your day pastime. So , let's have it and revel in reading.

Joann Nixon:

This book untitled Shades of Blue to be one of several books that will best seller in this year, honestly, that is because when you read this publication you can get a lot of benefit onto it. You will easily to buy this book in the book retail store or you can order it via online. The publisher of this book sells the e-book too. It makes you quickly to read this book, because you can read this book in your Cell phone. So there is no reason to you personally to past this e-book from your list.

Mark Johnson:

Do you like reading a e-book? Confuse to looking for your favorite book? Or your book was rare? Why so many query for the book? But virtually any people feel that they enjoy for reading. Some people likes looking at, not only science book but also novel and Shades of Blue or perhaps others sources were given know-how for you. After you know how the truly great a book, you feel want to read more and more. Science book was created for teacher or students especially. Those guides are helping them to put their knowledge. In other case, beside science publication, any other book likes Shades of Blue to make your spare time far more colorful. Many types of book like this one.
