The Business Travel Survival Guide By Jack Cummings

In the travel business for over 20 years, the author is familiar with travel horror stories and has solved a multitude of them in his book. Describes everything the business traveller needs to know when faced with a critical situation. Topics, ranging from saving time and money to surviving natural disasters, political unrest and food poisoning, are clearly covered along with expert advice on how to find and keep a good travel agent. Important survival data on 26 major cities across the U.S. including airport, transportation, lodging and temperature information and special checklists on how to pack and travel light makes this a "must-have" for the savvy business traveller.

Editorial Review

From Library Journal

Cummings, who has run his own travel agency for 20 years, has packed this guide for business travelers with useful information, tidbits, and advice. His goal is to help readers maximize travel comfort, minimize travel expenses, and increase their ability to cope with problems such as lost luggage, lost tickets, overbooked airlines, customs problems, and even jet lag and other illnesses. In addition, Cummings discusses how to take advantage of tax deductions and offers a particularly useful chapter on selecting and making the most productive use of a travel agent. He ends his book with a list of 25 major U.S. metropolitan areas. For each city, Cummings lists such vital information as taxi fees from the airport and alternate airport transportation, suggested restaurants, hotels, places of interest to visit, and weather information. Recommended for business and travel collections.
