The Cambridge Companion to Karl Rahner (Cambridge Companions to Religion) From Brand: Cambridge University Press

Karl Rahner (1904-1984) was one of the most significant theological voices of the twentieth century. For many his theology symbolizes the Catholic Church's entry into modernity. Part of his enduring appeal lies in his ability to reflect on a variety of issues in theology and spirituality and direct this plurality into a few basic convictions. In addition to the main themes of Rahner's work, this Companion assesses his significance for contemporary theology through dialogues with many current concerns including: religious pluralism, spirituality, postmodernism, ecumenism, ethics and developments in political and feminist theologies.

Editorial Review

Review

"The editors have assembled first-rate scholars from North America, Europe and Australia to discuss these issues. The authors are discerning, appreciative and, when necessary, constructively critical. Each article is followed by helpful suggestions for further reading. This feature, along with the editors' useful glossary of technical terms and an appendix on "Reading Rahner: a Guide for Students," makes the volume suitable both for those well versed in Rahner and those encountering this theological Mount Everest for the first time...I heartily recommend The Cambridge Companion to Karl Rahner as a valuable vade mecum on the mystagogical journey that is the theology of one of this century's greatest thinkers." America, Robert P. Imbelli, Boston College

"All in all, the book indicates a balanced view of Rahner in the English-speaking world, and it is hoped that this standard will be carried on by those who read Rahner in the twenty-first century without his formative influence." - Shun'ichi Takayanagi, S.J., Sophia University, Japan

About the Author

Declan Marmion lectures in Systematic Theology at St Patricke's College, Maynooth and at the Milltown Institute, Dublin where he is Senior Lecturer. His publications include An Introduction to the Trinity (co-edited with Rik van Nieuwenhove, 2010), Christian Identity in a Postmodern Age: Celebrating the Legacies of Karl Rahner and Bernard Lonergan (2005), Theology in the Making: Biography, Contexts, Methods (2005) and A Spirituality of Everyday Faith: A Theological Investigation of the Notion of Spirituality in Karl Rahner (1998).

Mary E. Hines is Professor of Theology and Chair of the Religious Studies Department at Emmanuel College, Boston.
