Editorial Review

From [Booklist](#)

Much to her dismay, Miranda Clifford has no choice but to apologize to Neville Roscoe. Miranda had marched over to Neville's home intent on pulling her younger brother Roderick out of a den of iniquity only to discover that instead of gambling with London's most infamous gambling king, Roderick is the newest member of Neville's Philanthropy Guild: a select group of nobleman who use their business skills and wealth to support various charitable endeavors. Although Miranda is delighted to discover that the notorious sinner Neville has a saintly side, it doesn't mean she can afford to associate with him. Miranda's aunts have drummed it into her that one step off the path of respectability will ruin her life forever. But after one kiss from Neville, Miranda is no longer certain that a respectable life is all it's cracked up to be. When it comes to dishing up lusciously sensual, relentlessly readable historical romances, Laurens is unrivaled, and her latest Regency-set romance is guaranteed to hook readers with its irresistible mix of exquisite passion and dangerous intrigues. --John Charles
