New York, New York - a crazy quilt of evolving neighborhoods, trends, and tastes, and home to natives and newcomers of every nationality, ethnicity, and outlook. New York City's history and grand ambitions live in every street, park, and hidden alleyway.

This unusual guidebook invites the adventurous and curious to explore a wildly diverse selection of little-known places, including: a trapeze school, a giant Buddha in a former porno theater, a Coney Island sideshow, Louis Armstrong's home, a Central Park croquet court, a Gatsby-era speakeasy, and a secret balcony where slaves worshipped 200 years ago. Play chess with the masters on a Midtown office-tower wall; have a pint at a legendary prizefighter's hangout in Soho; whisper messages across a crowded train station. Unexpected and quirky, most of these destinations are so under-the-radar they will astound even longtime New Yorkers who thought they knew it all!
