A Concise History of Switzerland (Cambridge Concise Histories) By Clive H. Church, Randolph C. Head

Despite its position at the heart of Europe and its quintessentially European nature, Switzerland's history is often overlooked within the English-speaking world. This comprehensive and engaging history of Switzerland traces the historical and cultural development of this fascinating but neglected European country from the end of the Dark Ages up to the present. The authors focus on the initial Confederacy of the Middle Ages; the religious divisions which threatened it after 1500 and its surprising survival amongst Europe's monarchies; the turmoil following the French Revolution and conquest, which continued until the Federal Constitution of 1848; the testing of the Swiss nation through the late nineteenth century and then two World Wars and the Depression of the 1930s; and the unparalleled economic and social growth and political success of the post-war era. The book concludes with a discussion of the contemporary challenges, often shared with neighbours, that shape the country today.

Editorial Review

Review

"The authors' complementary specialties in early modern and contemporary European history make the book unusually well balanced between the remote and recent past ... A clear, engaging synthesis appropriate for a wide variety of readers ... Highly recommended."

Choice

"... deserves a wide national [Swiss] and international audience."

Philippe Rogger, translated from H-Soz-u-Kult

About the Author

Clive Church is Emeritus Professor of European Studies at the University of Kent, Canterbury. He has also been a Fellow of the French CNRS, a Visiting Professor at the University of Sussex and a National Research Fund Fellow at the Universität Freiburg in Switzerland. His recent publications include *Swiss Politics and Government* (2004) and, as editor, *Switzerland and the EU* (2006).

Randolph Head is Professor of European History at the University of California. He has held fellowships from the Institute for Advanced Study, the American Philosophical Society and the Newberry Library. His publications on early modern Switzerland include numerous articles and essays along with two books, *Early Modern Democracy in the Grisons* (1995) and *Jenatsch's Axe* (2008).

Users Review
