Atlas of Clinical and Surgical Orbital Anatomy E-Book By Jonathan J Dutton

Atlas of Clinical and Surgical Orbital Anatomy, by Dr. Jonathan Dutton, demonstrates the complex area of orbital anatomy through unique illustrations and comprehensive coverage that goes from embryology to adult anatomy. This completely updated and revised new edition features a new chapter on the cavernous sinus, illustrations modified to reflect recent anatomic findings, and new sections covering clinical correlations.

- Clearly see the nuances of each anatomic system with layered illustrations that use multiple artworks to display relevant structures and highlight key intricacies.
- Visualize each system three-dimensionally through depictions from frontal, lateral, and superior angles.
- Apply a comprehensive approach to common orbital diseases using coverage of clinical correlations from embryology to adult anatomy.
- Master the anatomy-disease-surgery relationship thanks to new chapter sections on clinical correlations.
- Get a more complete understanding of orbital disease through a new chapter on the cavernous sinus and illustrations modified to reflect recent anatomic findings.
- Stay current on the newest research data with completely revised and updated chapters and references.

Editorial Review

Review

"Atlas of Clinical and Surgical Orbital Anatomy is a perfect addition to the library of every student and surgeon working in or around the orbit. The second edition is well referenced, with current sources. I highly recommend this anatomy atlas." *JAMA, June 13, 2012?Vol 307, No. 22; p2438-2439*

"This atlas is a great resource in any surgical subspecialty that demands an understanding of orbital anatomy. It will be useful for oculoplastic surgeons, ophthalmologists, plastic surgeons, and neurosurgeons, as well as ENT physicians and oral and maxillofacial surgeons." *Doody Review - 4 stars - 95/100 Score*

Users Review

From reader reviews:

Cora Spillane:

A lot of people always spent their free time to vacation or maybe go to the outside with them friends and family or their friend. Are you aware?
