Oracle Database 11g Building Oracle XML DB Applications (Oracle Press)

By Jinyu Wang

Master the XML Programming Features in Oracle Database 11g

Develop, debug, and administer data-backed XML applications using the expert instruction and best practices in this Oracle Press guide. *Oracle Database 11g: Building Oracle XML DB Applications* discusses the latest development tools, technologies, and components. Find out how to set up Oracle XML Database (Oracle XML DB), build XML applications in Oracle JDeveloper 11g, work with XSLT stylesheets, and incorporate full-text search. Troubleshooting, performance tuning, and security are also covered in this comprehensive resource.

- Create, store, and query XML types using Oracle XML DB
- Load XML documents into relational tables and define SQL views
- Parse and validate schema with Oracle XDK for Java and PL/SQL packages
- Merge documents, generate reports, and transform data using XSLT
- Construct applications from Oracle XML DB Web services
- Use Oracle JDeveloper 11g to design and deploy XML applications
- Integrate Oracle Text and Oracle Secure Enterprise Search features
- Streamline the development process using Oracle Application Express

Editorial Review

About the Author

Jinyu Wang was on the product management team and managed Oracle XML DB and Oracle XDK for five years. She has extensive experience in Oracle XML solutions and was the coauthor of *Oracle Database 10g: XML and SQL*. Jinyu has been using XML for more than 10 years and has produced many conference/journal papers on XML. She holds four U.S. patents in XML processing.

Users Review

From reader reviews:

Dawn Hicks:

What do you in relation to book? It is not important together with you? Or just adding material when you require something to explain what the ones you have problem? How about your free time? Or are you busy individual? If you don't have spare time to perform others business, it is make you feel bored faster. And you have extra time? What did you do? Everybody has many questions above. They have to answer that question mainly because just their can do in which. It said that about publication. Book is familiar on every person. Yes, it is proper. Because start from on pre-school until university need this specific Oracle Database 11g Building Oracle XML DB Applications (Oracle Press) to read.

Harry Dwyer:

Do you have something that you enjoy such as book? The publication lovers usually prefer to decide on book like comic, limited story and the biggest one is novel. Now, why not trying Oracle Database 11g Building Oracle XML DB Applications (Oracle Press) that give your entertainment preference will be satisfied simply by reading this book. Reading practice all over the world can be said as the way for people to know world far better then how they react when it comes to the world. It can't be said constantly that reading practice only for the geeky individual but for all of you who wants to be success person. So , for all you who want to start reading through as your good habit, you could pick Oracle Database 11g Building Oracle XML DB Applications (Oracle Press) become your own personal starter.

Patricia Hooper:

You could spend your free time to see this book this publication. This Oracle Database 11g Building Oracle XML DB Applications (Oracle Press) is simple to deliver you can read it in the playground, in the beach, train in addition to soon. If you did not include much space to bring typically the printed book, you can buy the particular e-book. It is make you better to read it. You can save typically the book in your smart phone. Consequently there are a lot of benefits that you will get when you buy this book.

William Rockwood:

Many people spending their time period by playing outside along with friends, fun activity using family or just watching TV the whole day. You can have new activity to shell out your whole day by examining a book. Ugh, do you think reading a book can actually hard because you have to take the book everywhere? It all right you can have the e-book, getting everywhere you want in your Touch screen phone. Like Oracle Database 11g Building Oracle XML DB Applications (Oracle Press) which is having the e-book version. So , try out this book? Let's observe.
