Sharp Objects By Gillian Flynn

FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF *GONE GIRL*

Fresh from a brief stay at a psych hospital, reporter Camille Preaker faces a troubling assignment: she must return to her tiny hometown to cover the murders of two preteen girls. For years, Camille has hardly spoken to her neurotic, hypochondriac mother or to the half-sister she barely knows: a beautiful thirteen-year-old with an eerie grip on the town. Now, installed in her old bedroom in her family's Victorian mansion, Camille finds herself identifying with the young victims—a bit too strongly. Dogged by her own demons, she must unravel the psychological puzzle of her own past if she wants to get the story—and survive this homecoming.

Editorial Review

Amazon.com Review

As loyal *Entertainment Weekly* subscribers, we have been fans of Gillian Flynn for her smart, funny, and spot-on reviews of books, movies, and TV, but we were not prepared for her stunning debut novel *Sharp Objects*, a wickedly dark thriller that Stephen King calls a "relentlessly creepy family saga" and an "admirably nasty piece of work." We're calling it a cross between *Twin Peaks* and *Secretary*--sinister, sexy, and stylish. Perfect fall reading. --*Daphne Durham*

10 Second Interview: A Few Words with Gillian Flynn

Q: Do you prefer writing novels or reviewing?

A: I think writing is more pure--and actually a bit easier for me. It's just me and my laptop, not me and my laptop and a TV show that 30 people have worked on. Reviewing keeps you sharp--I can hardly watch or read anything without taking notes now--but plain old writing I find actually relaxing.

Q: Do think your writing is influenced more by books that you have read, or shows/movies that you have seen?

A: My mom spent her career as a reading teacher and my dad is a retired film professor, so I was really steeped in both books and movies growing up. To this day, when I get my dad on the phone, pretty much his first sentence is "Seen anything good lately?" I love putting words together (I've never met a simile I didn't like), but when I write I often think in "scenes"--I want these two people, in a dirty bar, with this song playing in the background.

Q: I hear you are working on your second book...is it too early to ask what it's about?

A: I'm still playing around with the whole plot--when I wrote *Sharp Objects*, I wasn't even sure who the killer was for a bit. But I can say [the new book] has to do with family loyalty, false memories, a wrenching murder trial, and a dash of good 'ole 1980s hair metal and devil worship.

Q: What is your writing process like? Have you changed anything about how you work since your first book?

A: My writing process is incredibly inefficient, and hasn't changed between books. I really don't outline: I know basically how I want the story to start, and vaguely how I want it to end (though like I said, with *Sharp Objects* even that changed!). Then I just write: Some characters I start finding more interesting, some less. I write entire swaths that I pretty much know I'll cut. I have an entire file of "deleted scenes." I guess the one thing that has physically changed is I moved into a new place since my first book--it has a great bathtub, and I'll prop my laptop up and write in the bath for hours. Which is, admittedly, weird.

From Publishers Weekly

Flynn gives new meaning to the term "dysfunctional family" in her chilling debut thriller. Camille Preaker, once institutionalized for youthful self-mutilation, now works for a third-rung Chicago newspaper. When a

young girl is murdered and mutilated and another disappears in Camille's hometown of Wind Gap, Mo., her editor, eager for a scoop, sends her there for a human-interest story. Though the police, including Richard Willis, a profiler from Kansas City, Mo., say they suspect a transient, Camille thinks the killer is local. Interviewing old acquaintances and newcomers, she relives her disturbed childhood, gradually uncovering family secrets as gruesome as the scars beneath her clothing. The horror creeps up slowly, with Flynn misdirecting the reader until the shocking, dreadful and memorable double ending. She writes fluidly of smalltown America, though many characters are clichés hiding secrets. Flynn, the lead TV critic for *Entertainment Weekly*, has already garnered blurbs from Stephen King and Harlan Coben. *5-city author tour; foreign rights sold in 10 countries.* (Oct.)

From [Bookmarks Magazine](#)

Critics agree that Gillian Flynn's psychological thriller and murder mystery is a far more sophisticated offering than a debut novel has any right to be. Flynn, the Chicago-based television critic for *Entertainment Weekly*, paints a clever, sensitive, and scathing portrait of small-town America—"Wind Gap truly is the home town from hell," notes the *Washington Post*—while portraying a convincing heroine consumed by violence, past and present. Flynn's vivid prose captures human foibles perfectly. If Camille's career is an old trick of the trade, it's a minor flaw in an otherwise stunning novel, "a tough tale told with remarkable clarity and dexterity, particularly for a first-time author" (*Denver Post*).

Users Review

From reader reviews:

James Connell:

Here thing why that Sharp Objects are different and reliable to be yours. First of all reading through a book is good however it depends in the content of the usb ports which is the content is as delicious as food or not. Sharp Objects giving you information deeper and in different ways, you can find any guide out there but there is no e-book that similar with Sharp Objects. It gives you thrill examining journey, its open up your personal eyes about the thing this happened in the world which is might be can be happened around you. You can actually bring everywhere like in playground, café, or even in your technique home by train. In case you are having difficulties in bringing the branded book maybe the form of Sharp Objects in e-book can be your alternate.

Denise Dennis:

The reason why? Because this Sharp Objects is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will zap you with the secret that inside. Reading this book alongside it was fantastic author who write the book in such amazing way makes the content on the inside easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of benefits than the other book have such as help improving your expertise and your critical thinking way. So , still want to hold off having that book? If I have been you I will go to the guide store hurriedly.

David Mathews:

Reading a book to get new life style in this calendar year; every people loves to read a book. When you examine a book you can get a great deal of benefit. When you read guides, you can improve your knowledge, due to the fact book has a lot of information in it. The information that you will get depend on what kinds of book that you have read. If you need to get information about your analysis, you can read education books, but if you act like you want to entertain yourself read a fiction books, this sort of us novel, comics, and also soon. The Sharp Objects will give you a new experience in reading a book.

Laura Thibodeau:

In this period of time globalization it is important to someone to find information. The information will make someone to understand the condition of the world. The fitness of the world makes the information quicker to share. You can find a lot of sources to get information example: internet, newspaper, book, and soon. You will see that now, a lot of publisher in which print many kinds of book. The particular book that recommended to you is Sharp Objects this reserve consist a lot of the information with the condition of this world now. This book was represented how can the world has grown up. The words styles that writer use to explain it is easy to understand. The writer made some research when he makes this book. This is why this book appropriate all of you.
