Editorial Review

Review

"Wes Bleed's narration is exactly what this new title by Gary Chapman and Paul White needs. Fans of THE 5 FIVE LOVE LANGUAGES will appreciate their take on a new topic, avoiding miscommunication in professional relationships. Bleed infuses the persuasive nature of the text with a steady cadence that puts the listener at ease while also being informative. There is a slight metallic ring to his tone, but it doesn't distract or seem out of place in a business-related volume. Those new to Chapman's language series will find the discussion easy to sink into."
