Catch Me By Lisa Gardner

Detective D. D. Warren has four days to stop a killer in this “shocking...‘must read’”* from #1 *New York Times* bestselling author Lisa Gardner—one of *Library Journal's* Best Thrillers of the Year.

Charlene Grant believes she is going to die. For the past few years, her childhood friends have been murdered one by one. Same day. Same time. Now she's the last of her friends alive, and she's counting down the final four days of her life until January 21st.

Charlene doesn't plan on going down without a fight. She has taken up boxing, shooting, and running. She also wants Boston's top homicide detective, D. D. Warren, to handle the investigation.

But as D. D. delves deeper into the case, she starts to question the woman's story. Instinct tells her that Charlene may not be in any danger at all. If that's true, the woman must have a secret—one so terrifying that it alone could be the greatest threat of all.

Editorial Review

From [Booklist](#)

Starred Review It's hard to imagine Boston detective D. D. Warren slowing down, but back to work after a blissful, eight-week maternity leave, she's determined to strike some sort of balance in her life. Her first case, however, renders that an impossibility. An alleged serial killer is targeting pedophiles. While D. D. and her crew may sympathize with this vigilante murderer's motives, they're hell-bent on handling justice the right way and catching the killer. Meanwhile, D. D. is contacted by Charlie, a young woman who claims that she will be killed on January 21, just as her two former best friends were murdered on that date in the two consecutive years prior. While D. D. would like to dismiss Charlie as crazy, the facts are there to support her assertion. As the two investigations develop, it becomes apparent that they could be linked. Gardner really pulls you in the middle of the drama, alternating Charlie's first-person retelling of the horrible circumstances of her life with the third-person narration of D. D.'s investigations. The creepy meter is off the charts—though not sensationalized—with children the target of physical, psychological, and sexual abuse at the hands of both strangers and parents. And, somehow, miraculously without any contrivance, Gardner's conclusion delivers a welcome glimmer of hope. **HIGH-DEMAND BACKSTORY:** Last year, Gardner had three titles on different New York Times bestseller lists; her latest D. D. Warren novel will launch a new streak for 2012. --Mary Frances Wilkens

Review

Praise for *Catch Me*

"Frighteningly real."—*People*

"The best thriller Lisa Gardner has written to date...It will hook you from the start."—Huffington Post

"[A] scare-your-socks-off thriller."—*Library Journal*

More praise for #1 *New York Times* bestselling author Lisa Gardner
