### Encyclopedia Madonna By Matthew Rettenmund

Scheduled to be published soon after the release of her seventh full-length studio album, Encyclopedia Madonna is a hip, witty, unconventional catalog designed like an encyclopedia. But unlike a reference book, it features racy commentary on every aspect of the Madonna myth from a Madonna-friendly point of view. Size D. Photos throughout.

## **Editorial Review**

From Library Journal

Everything you ever wanted to know about Madonna, and then some, is provided by Rettenmund, a St. Martin's Press editorial assistant and obvious Madonnaholic. If you read this book, you will learn about Madonna's friends, enemies, favorite restaurants, hometown, music videos, sex life, and much, much more. The result may be hog heaven for the (once-) teeming Madonna fanatics, but it poses some problems for unsuspecting librarians. Anyone writing about Madonna must soon delve into her personal life, and, indeed, there is some pretty graphic stuff here that may be deemed inappropriate for the mostly young people who will want to read about their idol. Purchase in response to requests. ?Judy Hauser, Oakland Schs., Lib. Svces., Waterford, Mich.

Whether you consider the Material Girl to be a crass and hollow merchandising ploy masquerading as a chanteuse or an insightful embodiment of the musical values of a postindustrial generation, you will find the answers to all imaginable Madonna questions in Rettenmund's exhaustive compilation of all things Madonnal. Want to know Madonna's favorite magazines? See *Magazines*. How she feels about dandelions? See *Dandelions*. Oral sex? See *Blowjobs* (there are no cross-refs, so you have to think sometimes). Basically, if you like Madonna, you'll like this book, and if you hate her, you'll like it just as well. Like the platinum princess herself (so they say), it merely reflects what the audience brings to it. Anyhow, if it's about Madonna and it's known, it's probably in here. *Mike Tribby*

## **Users Review**

**From reader reviews:**

**Edward Payne:**

Nowadays reading books be a little more than want or need but also become a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The data you get based on what kind of e-book you read, if you want get more knowledge just go with knowledge books but if you want truly feel happy read one having theme for entertaining such as comic or novel. Typically the Encyclopedia Madonna is kind of guide which is giving the reader unpredictable experience.

**Marcella Aragon:**

Information is provisions for people to get better life, information nowadays can get by anyone at everywhere. The information can be a knowledge or any news even a concern. What people must be consider whenever those information which is inside former life are difficult to be find than now could be taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you find the unstable resource then you buy it as your main information you will have huge disadvantage for you. All of those possibilities will not happen in you if you take Encyclopedia Madonna as your daily resource information.

**Edward Cottrell:**

Spent a free a chance to be fun activity to perform! A lot of people spent their sparetime with their family, or all their friends. Usually they accomplishing activity like watching television, going to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Do you wish to something different to fill your personal free time/ holiday? Can be reading a book can be option to fill your totally free time/ holiday. The first thing that you ask may be what kinds of book that you should read. If you want to try out look for book, may be the guide untitled Encyclopedia Madonnica can be great book to read. May be it might be best activity to you.

**Beth Johnson:**

The book untitled Encyclopedia Madonnica contain a lot of information on this. The writer explains the girl idea with easy technique. The language is very easy to understand all the people, so do certainly not worry, you can easy to read that. The book was published by famous author.
