Gynecologic Imaging: Expert Radiology Series By Julia R. Fielding, Douglas L. Brown, Amy S. Thurmond

Gynecologic Imaging, a title in the Expert Radiology Series, by Drs. Julia R. Fielding, Douglas Brown, and Amy Thurmond, provides the advanced insights you need to make the most effective use of the latest gynecologic imaging approaches and to accurately interpret the findings for even your toughest cases. Its evidence-based, guideline-driven approach thoroughly covers normal and variant anatomy, pelvic pain, abnormal bleeding, infertility, first-trimester pregnancy complications, post-partum complications, characterization of the adnexal mass, gynecologic cancer, and many other critical topics. Combining an image-rich, easy-to-use format with the greater depth that experienced practitioners need, it provides richly illustrated, advanced guidance to help you overcome the full range of diagnostic, therapeutic, and interventional challenges in gynecologic imaging. Online access at www.expertconsult.com allows you to rapidly search for images and quickly locate the answers to any questions.

- Get all you need to know about the latest advancements and topics in gynecologic imaging, including normal and variant anatomy, pelvic pain, abnormal bleeding, infertility, first-trimester pregnancy complications, post-partum complications, characterization of the adnexal mass, and gynecologic cancer.
- Recognize the characteristic presentation of each disease via any modality and understand the clinical implications of your findings.
- Consult with the best. Internationally respected radiologist Dr. Julia Fielding leads a team of accomplished specialists who provide you with today's most dependable answers on every topic in gynecologic imaging.
- Identify pathology more easily with 1300 detailed images of both radiographic images and cutting-edge modalities—MR, CT, US, and interventional procedures.
- Find information quickly and easily thanks to a consistent, highly templated, and abundantly illustrated chapter format.

Access the fully searchable text online at www.expertconsult.com, along with downloadable images.

Editorial Review

Users Review

From reader reviews:

Benedict Wilkerson:

As people who live in the modest era should be up-date about what going on or info even knowledge to make all of them keep up with the era that is certainly always change and progress. Some of you maybe will probably update themselves by examining books. It is a good choice for you personally but the problems coming to you actually is you don't know which you should start with. This Gynecologic Imaging: Expert Radiology Series is our recommendation to help you keep up with the world. Why, because this book serves what you want and need in this era.

Brian Register:

Playing with family in a very park, coming to see the water world or hanging out with close friends is thing that usually you will have done when you have spare time, after that why you don't try issue that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Gynecologic Imaging: Expert Radiology Series, you are able to enjoy both. It is fine combination right, you still would like to miss it? What kind of hangout type is it? Oh can happen its mind hangout fellas. What? Still don't get it, oh come on its known as reading friends.

Allison Morales:

This Gynecologic Imaging: Expert Radiology Series is great guide for you because the content that is certainly full of information for you who all always deal with world and possess to make decision every minute. That book reveal it data accurately using great plan word or we can point out no rambling sentences included. So if you are read the item hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but hard core information with lovely delivering sentences. Having Gynecologic Imaging: Expert Radiology Series in your hand like having the world in your arm, information in it is not ridiculous 1. We can say that no e-book that offer you world with ten or fifteen minute right but this e-book already do that. So , this really is good reading book. Hey Mr. and Mrs. hectic do you still doubt that will?

Sally Canady:

With this era which is the greater person or who has ability to do something more are more precious than other. Do you want to become among it? It is just simple strategy to have that. What you should do is just spending your time very little but quite enough to have a look at some books. One of several books in the top

collection in your reading list is actually Gynecologic Imaging: Expert Radiology Series. This book which can be qualified as The Hungry Mountains can get you closer in becoming precious person. By looking right up and review this publication you can get many advantages.
