### How to Teach Filthy Rich Girls By Zoey Dean

Rose and Sage Baker, 17-year-old orphan twins with more money than God, are living the good life in decadent Palm Beach, Florida. Life is grand--until their purse string-controlling grandmother is infuriated by a Vanity Fair profile of the girls' unsavory exploits. Now, they'll lose their inheritances if they don't get into ultra-selective Duke University. Enter Megan Simms, a brainy, recent Yale grad who's drowning in school debt. For \$75,000 dollars--enough to pay back her loans--she must ensure the girls are accepted at Duke. This is no small feat, given that the twins cannot sit still longer than it takes to down a glass of Cristal. Megan is going to have to learn her Pucci from her Prada, and play by a whole different set of rules if she's going to whip these two into academic shape. Along the way, she just might discover that the twins aren't the only ones getting an education.

## Editorial Review

From Publishers Weekly

Dean, author of the popular A-List young adult series, graduates to big-girl chick lit with this hip remix of *Cinderella*, *The Ugly Duckling* and *The Simple Life*. Megan Smith, unable to cut it in New York's cutthroat world of magazine publishing, snatches a lucrative offer to transform two pampered and scholastically challenged 17-year-old twins into scholars. Sage and Rose Baker, known mostly for majoring in ennui and partying, are heiresses to an \$84 million fortune, but the money isn't theirs until they pass the SATs. Their grandmother, the fortune's overseer, pays Megan \$1,500 a week to get the Fabulous Baker Twins up to snuff, and an additional \$75,000 if they are accepted at Duke, their late parents' alma mater. But the transformation works both ways, as Megan learns she'll have to earn the twins' respect before they accept her tutelage. Megan, meanwhile, secretly intends to segue her time with the high-profile twins into a writing career. Things work out for everyone, but not in an expected fashion. Dean's writing is swift and the book is consistently funny, though her twin terrors aren't as nasty as they could be. Regardless, this is a great one to take to the beach. (*July*)

From [Booklist](#)

Chick-lit lovers take note: Dean, writer of the popular teen series the A-List, is dipping her toe into the swimming pool of adult fiction. Yale graduate Megan Smith has recently moved to Manhattan, but nothing is going as planned. When her job at a tabloid magazine turns sour, she accepts a position working for the infamous Baker twins, Sage and Rose: 17, filthy rich, and unmarketable as far as their grandmother and upper-echelon colleges are concerned. Her challenge? Get them into Duke University. Her reward? Ample pay, plus a significant check that will wipe out her hefty college loans. But in addition to brushing up on her SAT-tutoring skills, she needs to gain a little empathy for her charges and learn a thing or two from the drag-queen estate-chef, Marco, and his style-consultant partner. Thrust into the conservative, money-dripping world of Palm Beach, Florida, Megan quickly learns that not everybody is as she first appears. Predictable? Yes, but Megan is quirky enough to keep the pages flipping, and the love story has a nice, made-for-the-movies ending. Cook, Emily

Review

Dean's writing is swift and the book is consistently funny - a great one to take to the beach PUBLISHERS WEEKLY

## Users Review

**From reader reviews:**

**Henry Jensen:**
