My Enemy's Cradle By Sara Young

Cyrla's neighbors have begun to whisper. Her cousin, Anneke, is pregnant and has passed the rigorous exams for admission to the Lebensborn, a maternity home for girls carrying German babies. But Anneke's soldier has disappeared, and Lebensborn babies are only ever released to their fathers' custody--or taken away.

And then in the space of an afternoon, life falls apart. A note is left under the mat. Someone knows that Cyrla, sent for safekeeping with her Dutch relatives, is Jewish. She must choose between certain discovery in her cousin's home and taking Anneke's place in the Lebensborn--Cyrla and Anneke are nearly identical. If she takes refuge in the enemy's lair, can Cyrla escape before they discover she is not who she claims?

Mining a lost piece of history, Sara Young takes us deep into the lives of women living in the worst of times. Part love story and part elegy for the terrible choices we must often make to survive, *My Enemy's Cradle* keens for what we lose in war and sings for the hope we sometimes find.

Editorial Review

From Publishers Weekly

Starred Review. Children's-book author Young (who, as Sara Pennypacker, penned the celebrated Stuart series) makes a stunning adult debut with this beautifully told and heart-wrenching novel set in WWII Europe. Cyrla, half-Jewish, is no longer safe hiding in the home of her Dutch relatives under the increasingly harsh Nazi occupation. When cousin Annika, whom Cyrla closely resembles, becomes pregnant by a German soldier, Annika's father enrolls her in a Lebensborn, a birthing center for Aryan children, where the slogan is Have one baby for the Führer. In a tragic turn of events, Cyrla discovers her only chance of survival is to hide in plain sight: she must assume Annika's identity and live in the German Lebensborn until rescued. Within the Lebensborn's walls, mothers-to-be receive proper nutrition and medical care until their children are taken from them for adoption into Aryan families. The horrors Cyrla witnesses are softened only by her resounding optimism and strength. (*Jan.*)

Review

PRAISE FOR MY ENEMY'S CRADLE

"Young's youthful characters--especially her heroine, Cyrla--are utterly believable, their longings, fears and hopes etched with an authenticity and sense of urgency that make this story vibrate on the page . . . Intensely romantic in a way that only wartime fiction can be. And it invokes, with a bit of an ache, Anne Frank's optimistic belief in happy endings."--*USA Today*

"Sara Young shines a powerful flashlight on one of the lesser-known Nazi atrocities: the thievery of children from their mothers. Young's research is so scrupulous that when devouring this novel, you'll swear you're reading a genuine survivor account."--Jenna Blum, author of *Those Who Save Us*

From the Inside Flap

"In this compelling first novel set against the little known Nazi Lebensborn program, Sara Young creates a heroine the reader will not easily forget. MY ENEMY'S CRADLE goes to the very heart of hope and how it can survive in even the darkest and most dangerous of times." --Anne Leclair, *ENTERING NORMAL*

Cyrla's neighbors have begun to whisper. Her cousin, Anneke, is pregnant and has passed the rigorous exams for admission to the Lebensborn, a maternity home for girls carrying German babies. But Anneke's soldier has disappeared, and Lebensborn babies are only ever released to their father's custody-- or taken away.

A note is left under the mat. Someone knows that Cyrla, sent from Poland years before for safekeeping with her Dutch relatives, is Jewish. The Nazis are imposing more and more restrictions; she won't be safe there for

long.

And then in the space of an afternoon, life falls apart. Cyrla must choose between certain discovery in her cousin's home and taking Anneke's place in the Lebensborn--Cyrla and Anneke are nearly identical. If she takes refuge in the enemy's lair, can Cyrla fool the doctors, nurses, guards, and other mothers-to-be? Can she escape before they discover she is not who she claims?

Mining a lost piece of history, Sara Young takes us deep into the lives of women living in the worst of times. Part love story and part elegy for the terrible choices we must often make to survive, MY ENEMY'S CRADLE keens for what we lose in war and sings for the hope we sometimes find.

Users Review

From reader reviews:

Brenda Taylor:

The knowledge that you get from My Enemy's Cradle will be the more deep you looking the information that hide inside the words the more you get considering reading it. It does not mean that this book is hard to comprehend but My Enemy's Cradle giving you enjoyment feeling of reading.
