### Understanding Public Policy Plus MySearchLab with eText -- Access Card Package (14th Edition) By Thomas R. Dye

**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

#### Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

#### Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

#### Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

Updated in its 14th edition, *Understanding Public Policy* focuses on the policy challenges confronting the Obama administration. This edition provides students with a close up look at the American healthcare system, current economic policies, issues of homeland security and defense policy among many other current event and issues shaping public policy today. The gold-standard for introductory public policy texts, *Understanding Public Policy* is designed to provide readers with concrete tools for both understanding and analyzing public policy.

## **Editorial Review**

### Review

“I would describe this textbook as a textbook that provides a lot of information in a succinct, easy to understand format. This textbook provides a sound link between theory and actual public policies thus providing a well-rounded text for an introduction to public policy course.” —*Jessica Ice, Florida State University*

“It has an excellent, well-balanced coverage of the key issues that challenge our government. I would add that I admire it has been kept current as civilization and governance evolve.”—*Minzi Su, Tennessee State University*

“The primary advantage of this book is the application of theories to different public policy areas. I find it an excellent opportunity to teach students about empirical approach in public policy: posing their own hypotheses and selecting theories that suit best their favorite public policy topics.” —*Olga Smirnova, East Carolina University*

The main strengths of the book include overall comprehension, cohesiveness, and use of theories. Each chapter managers to cover a wide array of related concepts, and is densely packed with information. Yet, this is done with articulate brevity. My favorite aspect of this textbook is the use of different theories which makes this textbook an excellent tool to teach students how to empirically test theories.” —*Olga Smirnova, East Carolina University*

### About the Author

Thomas R. Dye, Emeritus McKenzie Professor of Government at Florida State University, regularly taught large introductory classes in American politics. He received his B. A. and M. A. degrees from Pennsylvania State University and his Ph. D. degree from the University of Pennsylvania. He is the author of numerous books and articles on American government and public policy, including *The Irony of Democracy*; *Politics in States and Communities*; *Understanding Public Policy*; *Who’s Running America?*; *American Politics in the Media Age*; *Power in Society*; *Politics, Economics, and the Public*; and *American Federalism: Competition Among Governments*. His books have been translated into many languages, including Russian and Chinese, and published abroad. Dye has served as president of the Southern Political Science Association, president of the Policy Studies Organization, and secretary of the American Political Science Association. He has taught at the University of Pennsylvania, the University of Wisconsin, and the University of Georgia, and served as a visiting scholar at Bar-Ilan University, Israel; the Brookings Institution in Washington, D. C.; and elsewhere. He is a member of Phi Beta Kappa, Omicron Delta Kappa, and Phi Kappa Phi and is listed in most major biographical directories.
