Boats with an Open Mind: Seventy-Five Unconventional Designs and Concepts By Philip Bolger

Here are 75 novel and wonderful boats--some strange, some beautiful, all of them paragons of Philip Bolger's form-follows-function design philosophy. A planing microtrawler; a glass-galleried, beachable birdwatching boat; a fully enclosed ocean-cruising rowboat; cruising sailboats that take the ground at low tide; power, sail, and rowing boats from 6 to 95 feet--these are boats as only Bolger's unfettered imagination does them. This is the first collection of Bolger's work in almost 15 years. It is long overdue.

"Bolger is an eloquent writer and his comments run the gamut from hilarious to profound."--*The Ensign*

"Bolger brings a kind of youthful feeling to yacht design--he would rather make precedent than follow it."--*WoodenBoat*

"Bolger has a way of seducing even the lay reader into thinking about and beginning to understand boat design."--*Cruising World*

"Boat lovers who are used to designers who conceive the same boat over and over, camouflaged with a face-lifting here and there, will be amazed at Phil Bolger's diversity."--*Boatbuilder*
