Royal Holiday Baby (Royal Babies series) By Leanne Banks

The princess is pregnant! Is the daddy a Texas tycoon?

Valentina Deveraux was still in shock. She had always been the good girl, the model princess—not the one getting mixed up in tabloid scandals. But one carefree night burning the bedsheets with charming Texan Zachary Logan had changed everything. Now her main responsibility was not to the throne, but to her unborn child...and getting to know his or her father.

With Zach, Valentina felt she could put down her tiara and just be herself. But the rancher had a dark secret—one that threatened any chance of happily ever after. Could the American cowboy be her true Prince Charming? Or was she risking it all for a royal heartbreak?
