Satori in Paris By Jack Kerouac

Kerouac's classic tale of Buddhist Enlightenment, on the road in Paris! In 'Satori in Paris' Jack Kerouac, a footloose American of French-Canadian parentage, voyages to France to seek the origins of his surname! But it is also, perhaps more than any of his other novels, a book about Kerouac's lifelong love affair with Eastern mysticism. While conversing with a cab driver he experiences, all of a sudden, a 'satori' -- the Japanese term for a 'sudden awakening'; the Enlightenment of Zen Buddhism. Or as Kerouac calls it, 'a kick in the eye!'

Editorial Review

About the Author

Jack Kerouac was born in 1922 in Lowell, Massachusetts, the youngest of three children in a French-Canadian family. Having left college, he joined the merchant marines and began the restless wanderings that were to continue for the greater part of his life. His first novel, *The Town and the City*, was published in 1950. *On the Road*, although written in 1951 (in a few hectic days on a scroll of newsprint), was not published until 1957 -- it made him one of the most controversial and best-known writers of his time. Publication of his many other books, among them *The Subterraneans*, *Doctor Sax* and *Desolation Angels*, followed. Jack Kerouac died in St. Petersburg, Florida at the age of forty-seven.

Users Review

From reader reviews:

Donna Miller:

The book *Satori in Paris* can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the great thing like a book *Satori in Paris*? Several of you have a different opinion about guide. But one aim that will book can give many data for us. It is absolutely suitable. Right now, try to closer with your book. Knowledge or facts that you take for that, you may give for each other; you can share all of these. Book *Satori in Paris* has simple shape but you know: it has great and big function for you. You can seem the enormous world by wide open and read a guide. So it is very wonderful.

Steven Anderson:

This *Satori in Paris* book is simply not ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is usually information inside this guide incredible fresh, you will get facts which is getting deeper a person read a lot of information you will get. That *Satori in Paris* without we realize teach the one who looking at it become critical in contemplating and analyzing. Don't always be worry *Satori in Paris* can bring once you are and not make your handbag space or bookshelves' come to be full because you can have it within your lovely laptop even cellphone. This *Satori in Paris* having very good arrangement in word along with layout, so you will not really feel uninterested in reading.

Robert Price:

As people who live in the particular modest era should be up-date about what going on or data even knowledge to make these individuals keep up with the era which can be always change and progress. Some of you maybe will update themselves by looking at books. It is a good choice in your case but the problems coming to anyone is you don't know what type you should start with. This *Satori in Paris* is our recommendation to make you keep up with the world. Why, since this book serves what you want and wish in this era.

Margaret Garcia:

Do you have something that you want such as book? The book lovers usually prefer to decide on book like comic, short story and the biggest one is novel. Now, why not hoping Satori in Paris that give your fun preference will be satisfied by means of reading this book. Reading practice all over the world can be said as the means for people to know world considerably better then how they react when it comes to the world. It can't be explained constantly that reading practice only for the geeky man or woman but for all of you who wants to be success person. So , for all you who want to start reading through as your good habit, you may pick Satori in Paris become your starter.
