### **The Cambridge Companion to Tolstoy (Cambridge Companions to Literature)** From Cambridge University Press

Key dimensions of Tolstoy's writing and life are explored in this collection of specially commissioned essays. While the essays focus on Tolstoy's artistic production, the introduction provides a brief, unified account of the man for whom art was only one activity among many. The essays are enhanced by supplementary material including a chronology of the period and detailed guides to further reading. Altogether the volume provides an invaluable resource for scholars and students.
