### The Double Bluff By Michael A. Hawley

It's two o'clock in the morning, and Det. Sgt. Leah Harris is standing over the savagely slashed body of a young college co-ed, Christina Herrera. For Leah, a lead homicide investigator for the Seattle Police Department, this much is routine. However, a photograph found lying on the victim's dresser has Harris in a state of near panic. It's a picture of a man Harris knows only too well--John Darby, also a Seattle cop. But more importantly, Darby is Leah Harris' lover. Bad goes to worse. Teamed with Internal Affairs investigator Frank Milkovich, Harris soon learns that the motive for the killing seems to have been more than just jealous rage. Christina's uncle, a well-respected local banker, has links to a Colombian drug cartel. Further, he may be using dirty cops, in a conspiracy to move large quantities of illegal drugs into the Pacific Northwest. Are they on track, or not? Or is this just a part of The Double Bluff? In the explosive 24-hours that follow, they'll soon know that...and more.

## **Editorial Review**

### Amazon.com Review

When a photograph of her lover, fellow officer John Darby, is found at the scene of a college coed's murder, Seattle detective Leah Harris takes a very personal interest in the investigation. Then Internal Affairs investigator Frank Milkovich uncovers a stash of Mexican heroin and nearly a million dollars in cash in the dead woman's house and discovers that Darby isn't who he said he was. What's the connection between the death of Christina Herrera and the disappearance of John Darby, and why are the chief of police and several of his top officers trying to keep it a secret? Hawley does a good job in this debut thriller, driving a crisp, tight narrative to a surprising denouement, and creating a couple of characters who deserve another outing. -
