The Garden of Eden By Ernest Hemingway

A sensational bestseller when it appeared in 1986, *The Garden of Eden* is the last uncompleted novel of Ernest Hemingway, which he worked on intermittently from 1946 until his death in 1961. Set on the Côte d'Azur in the 1920s, it is the story of a young American writer, David Bourne, his glamorous wife, Catherine, and the dangerous, erotic game they play when they fall in love with the same woman. "A lean, sensuous narrative...taut, chic, and strangely contemporary," *The Garden of Eden* represents vintage Hemingway, the master "doing what nobody did better" (R. Z. Sheppard, *Time*).

Editorial Review

From Publishers Weekly

An edited version of a narrative abandoned by the Nobel laureate, *The Garden of Eden* is about a young American couple in Europe on an extended honeymoon. PW stated that while the manuscript is of scholarly interest, it does not hold up as a "bona fide Hemingway novel."

Copyright 1987 Reed Business Information, Inc.

From Library Journal

A few shards survive in the sandy ruins of Hemingway's garden of Eden: the pastoral and sensual delights of loving and swimming in Provence and Spain; the pleasure the hero, a novelist, feels when he writes "truly" about his father and hunting in Africa. The rest is madness, cruelty, and corruption. Unfortunately, neither the joy nor the terror profoundly engages the reader. The bisexual grotesqueries that bind David Bourne, his antic wife, and their complaisant woman lover are for the most part silly or banal, not even sufficiently bizarre to shock. What we have here is juiceless gossip. As fiction, the book utterly fails clumsily plotted, thematically vague and indecisive, the characters unfleshed caricatures. Even Hemingway's lyrical eloquence is stripped to frayed clichés. How then to justify publishing an edited version of a manuscript Hemingway labored over unsuccessfully for 15 years? Arthur Waldhorn, English Dept., City Coll., CUNY

Review

"Hemingway's farewell, mannered, thrilling, spoiled, pure, loyal to its monumental maker and itself and with no knowledge of coming darkness." -- James Salter, "The Washington Post Book World"

"Hemingway gives you the look and feel of places, the sensuous brilliance of the world's offerings, the excitement of complex relationships, the precision of a hunt or a breakfast, the tensions of sexual intrigue . . . In short, "The Garden of Eden" is a feast." -- Richard Stern, "Chicago Tribune Books"

"A miracle, a fresh slant on the old magic." -- John Updike, "The New Yorker"

Users Review

From reader reviews:

Lynnette Cash:

Book is to be different for every grade. Book for children until eventually adult are different content. To be sure that book is very important for people. The book *The Garden of Eden* has been making you to know about other knowledge and of course you can take more information. It is extremely advantages for you. The guide *The Garden of Eden* is not only giving you a lot more new information but also to be your friend when you really feel bored. You can spend your own spend time to read your e-book. Try to make relationship using the book *The Garden of Eden*. You never truly feel lose out for everything in case you read some books.

Carol Reck:

Do you one of people who can't read gratifying if the sentence chained in the straightway, hold on guys that aren't like that. This The Garden of Eden book is readable through you who hate the straight word style. You will find the facts here are arrange for enjoyable examining experience without leaving also decrease the knowledge that want to provide to you. The writer involving The Garden of Eden content conveys objective easily to understand by most people. The printed and e-book are not different in the content but it just different available as it. So , do you nevertheless thinking The Garden of Eden is not loveable to be your top collection reading book?

Lou Bryant:

Reading a e-book can be one of a lot of pastime that everyone in the world likes. Do you like reading book so. There are a lot of reasons why people enjoy it. First reading a book will give you a lot of new facts. When you read a publication you will get new information since book is one of numerous ways to share the information or their idea. Second, examining a book will make a person more imaginative. When you looking at a book especially fiction book the author will bring one to imagine the story how the personas do it anything. Third, you could share your knowledge to other people. When you read this The Garden of Eden, you may tells your family, friends in addition to soon about yours e-book. Your knowledge can inspire different ones, make them reading a e-book.

Modesto Delarosa:

This The Garden of Eden is great e-book for you because the content that is full of information for you who always deal with world and have to make decision every minute. That book reveal it data accurately using great arrange word or we can declare no rambling sentences included. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tough core information with beautiful delivering sentences. Having The Garden of Eden in your hand like keeping the world in your arm, data in it is not ridiculous one particular. We can say that no book that offer you world inside ten or fifteen tiny right but this book already do that. So , this is good reading book. Hey there Mr. and Mrs. active do you still doubt which?
