### The Perfectionists By Sara Shepard

You don't have to be good to be perfect.

From Sara Shepard, #1 *New York Times* bestselling author of the *Pretty Little Liars* series, comes another series full of juicy secrets, nail-biting suspense, and beautiful girls who will do anything to hide the ugly truth.

Ava, Caitlin, Mackenzie, Julie, and Parker are all driven to be perfect—no matter the cost. At first the girls think they have nothing in common, until they discover that they all hate the same person: handsome womanizer Nolan Hotchkiss, who's done things to hurt each of them. They come up with the perfect plan to murder Nolan—*jokingly*, of course. They'd never actually go through with it. But when Nolan turns up dead in the exact way they'd discussed, the girls suddenly become prime suspects in his murder. Only, *they didn't do it*. So who did? Unless they find the real killer, and soon, their perfect lives will come crashing down around them.

## Editorial Review

From School Library Journal

Gr 9 Up—Image is everything at Beacon Heights High, where only the best is good enough for the ultracompetitive teens of this affluent Seattle suburb. The highest grades, the chicest clothes, the wildest parties are part and parcel. In this bubble of pressure and privilege, no one is more popular—or more feared—than Nolan Hotchkiss. Cruel and hypnotic, he seems to know everybody's dirty little secret. And everybody seems to have one, including Parker Duvall, Ava Jalali, Caitlin Martell-Lewis, Julie Redding, and Mackenzie Wright. Each girl has her own reason to hate Nolan, and each one has something to hide. When his dead body is discovered with the words "Monster" and "Liar" scrawled in Sharpie on his face, the five emerge as murder suspects. Did they really do it—or are they being framed? Fans of the author's "Pretty Little Liars" series (HarperCollins) will recognize that certain plots (deceit, secrets, murder) and structural elements (chapters rotate among the lead female characters) have been recycled; unfortunately, the new series feels derivative by comparison. An additional purchase, based on the strength of the author's popularity.—Susan Wengler, Saint Dominic Academy, Jersey City, NJ

From the Back Cover

Five perfect girls. One perfect murder.

In Beacon Heights, Washington, five high school seniors know that you don't have to be good to be perfect.

Mackenzie, Ava, Caitlin, Julie, and Parker are all driven to be perfect—no matter the cost. At first these five girls think they have nothing in common, until they discover they all hate the same person: rich, entitled Nolan, who's done terrible things to each of them. They come up with the perfect plan to murder Nolan—a *hypothetical* murder, of course. It's all wishful thinking . . . until they wake up one morning to find that their wish came true. Nolan was killed, in exactly the way they planned. The thing is, *they didn't do it*. So who did?

Suddenly the girls are the prime suspects in the murder. And they need to find the real killer before their perfect lives are ended—for good.
