Editorial Review

Review

Vendler is undoubtedly a finely trained and extraordinarily resourceful reader, and I cannot imagine that anybody who cares for Herbert, or more generally for poetry, will fail to learn something from this book. (Frank Kermode *New York Times Book Review*)

Helen Vendler in *The Poetry of George Herbert* shows herself to be the most distinguished contemporary practitioner of the New Critical tradition of 'close reading.' (J. Hillis Miller *New Republic*)

Few English poets raise more clearly than Herbert, or in more challenging and explorable ways, deeper questions as to the techniques, conditions, kinds and aims of poetry and its variant relations to experience...It is her full recognition of these characteristics which makes Helen Vendler's study, *The Poetry of George Herbert*, so admirable as a continuation of the efforts in recent decades to return Herbert nearer to his due place. Her fine and generous understanding of these efforts combines with her venturesome yet wary percipience to make her a most enheartening as well as a steadying companion in the rereadings of Herbert (and the rethinkings) that her work will promote. (I. A. Richards *Times Literary Supplement*)

Vendler's fluent study explains the poet in full, from a close reading of one work (to establish his precise craftsmanship) to chapters on the emblems, liturgical poems, ethical poems, and patterned poems. But there is more than just annotated classification here, for Vendler continually shows stages of development in Herbert's thought and craft. (*Library Journal*)

About the Author

Helen Vendler is A. Kingsley Porter University Professor at Harvard University.

Users Review

From reader reviews:

Raymond Floyd:

Why don't make it to be your habit? Right now, try to ready your time to do the important act, like looking for your favorite guide and reading a book. Beside you can solve your problem; you can add your knowledge by the e-book entitled *The Poetry of George Herbert*. Try to stumble through book *The Poetry of George Herbert* as your close friend. It means that it can to get your friend when you feel alone and beside regarding course make you smarter than ever before. Yeah, it is very fortunated to suit your needs. The book makes you much more confidence because you can know almost everything by the book. So , let's make new experience and knowledge with this book.

Judith Bryant:

Here thing why this kind of *The Poetry of George Herbert* are different and dependable to be yours. First of all examining a book is good nevertheless it depends in the content of computer which is the content is as delicious as food or not. *The Poetry of George Herbert* giving you information deeper including different ways, you can find any e-book out there but there is no guide that similar with *The Poetry of George Herbert*.

It gives you thrill studying journey, its open up your own personal eyes about the thing this happened in the world which is probably can be happened around you. You can bring everywhere like in playground, café, or even in your method home by train. Gerald Reed:

Don't be worry should you be afraid that this book can filled the space in your house, you might have it in e-book method, more simple and reachable. That The Poetry of George Herbert can give you a lot of pals because by you investigating this one book you have point that they don't and make you more like an interesting person. This book can be one of one step for you to get success. This guide offer you information that possibly your friend doesn't realize, by knowing more than different make you to be great folks. So , why hesitate? Let us have The Poetry of George Herbert.

Alberto Turcotte:

As a scholar exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just little students that has reading's internal or real their hobby. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this The Poetry of George Herbert can make you truly feel more interested to read.
