Wolves of the Beyond #2: Shadow Wolf By Kathryn Lasky

The second installment in bestselling author Kathryn Lasky's staggering WOLVES OF THE BEYOND series, a spinoff of the legendary Guardians of Ga'Hoole books. The wolf pup Faolan was born with a twisted paw, a slight defect that caused his wolf clan to abandon him in the forest to die. But Faolan, with the help of the grizzly bear who raised him as her own, survived. Now he's made it back to his clan as a gnaw wolf, the lowest ranking pack member. And the hardships are just beginning. Another gnaw wolf, Heep, is jealous of Faolan and sets him up for failure. As if these humiliations are not enough, Faolan is framed for the murder of a wolf pup. Faolan must catch the culprit in time and prove he deserves to be a full member of the clan.

Editorial Review

From School Library Journal

Grade 4–6—Fans of the "Guardians of Ga'Hoole" series (Scholastic) and those who ate up *Lone Wolf* (Scholastic, 2009), the first book in this series, will be eager to learn the fate of mother grizzly bear Thunderheart's beloved adopted-wolf-son, Faolan, who was born with a deformed paw and left to die until she found him. In this tightly plotted, lyrical tale, Faolan endures his lot as a gnaw wolf, but has no idea how to bend his innate bravery and confidence into the accepted fringe behavior, cowering and cringing while mashing his face in the dirt to show the required obeisance. Lasky blends her powerful skill in establishing a setting with Faolan's lilting poetry and song, revealing his tender heart and the forest's own beauty. She builds the wolf society as if it were a human tribe of both wise and blind leaders, living in a culture of cruelty, survival, evil, and honor. It is the magic of tribal strength and love that lays down the only hope for a talented young wolf. Readers will be delighted that heroes from Lasky's "Ga'Hoole" series appear to challenge the established world in this fascinating addition to the "Wolves" series.—*Nancy Call, Santa Cruz Public Libraries, Aptos, CA*

From [Booklist](#)

The Wolves of the Beyond series continues to follow young Faolan as he struggles as a lowly “gnaw wolf” in his adopted MacDuncan River Pack. Fellow groveler Heep is his chief antagonist, pushing the powerful young wolf through a series of humiliations leading to the gaddergnaw—a contest in which one gnaw wolf is allowed to join the pack proper. As in *Lone Wolf* (2010), Lasky favors spirituality, rituals, and observances over action, although the gaddergnaw, as well as a murder accusation, keeps the plot trucking. The returning theme of child abandonment will hit kids where they live. Grades 5-8. --Daniel Kraus

Review

Praise for the first book in the Wolves of the Beyond series:

"This is a soulful, searching read consumed with the spiritual journeys of animals and the ethereal connection between slayer and slain. [W]ith an invigorating ending that bodes well for the next volume." - Booklist

"The author builds a captivating world of forest, snow and volcanoes populated by intelligent animals and weaves a compelling story sure to bring readers back for the second installment." - Kirkus

Users Review

From reader reviews:
