Cold Tangerines: Celebrating the Extraordinary Nature of Everyday Life

By Shauna Niequist

Cold Tangerines?now available in softcover? is a collection of stories that celebrate the extraordinary moments hidden in your everyday life. It is about God, and about life, and about the thousands of daily ways in which an awareness of God changes and infuses everything. It is about spiritual life, and about all the things that are called nonspiritual life that might be spiritual after all. It is the snapshots of a young woman making peace with herself and trying to craft a life that captures the energy and exuberance we all long for in the midst of the fear and regret and envy we all carry with us. It is both a voice of challenge and song of comfort, calling you upward to the best possible life, and giving you room to breathe, to rest, to break down, and break through. Cold Tangerines offers bright and varied glimpses of hope and redemption, in and among the heartbreak and boredom and broken glass.

Editorial Review

From Publishers Weekly

Niequist, a 30-year-old mother and first-time author, wants readers to look around their ordinary lives and celebrate all their manifold, quotidian blessings. To that end, she offers 40 short essays, each an exploration of something mundane and wonderful: getting pregnant, throwing parties, collecting champagne flutes. She recalls a breakup that deepened her relationship with God, and explains why moving into a fixer-upper helped her learn that God loves us as we are. A lovely, honest and wistful tone characterizes the title piece, an ode to living a life of gratitude and joy. Essays on a friend's health scare, the power of art and experiencing Christmas with a newborn are especially powerful. Yet Niequist's relentlessly first-person reflections would have been leavened by more fully developing some of the other characters, the relatives and friends who pop up. Sometimes her prose is annoyingly abstract (if we cultivate a true attention, a deep ability to see what has been there all along, we will find worlds within and between us), and there are clichéd observations. Still, with a bit of seasoning (and more vigorous editing), Niequist could be a writer to watch. (Oct.)

Yet Niequist's relentlessly first-person reflections would have been leavened by more fully developing some of the other characters, the relatives and friends who pop up. Sometimes her prose is annoyingly abstract ('if we cultivate a true attention, a deep ability to see what has been there all along, we will find worlds within and between us'), and there are clichéd observations. Still, with a bit of seasoning (and more vigorous editing), Niequist could be a writer to watch. (Oct.) -- Publisher's Weekly

From the Publisher

"It would be good for all of us if Shauna Niequist would promise to write a book like *Cold Tangerines* every year or two for the rest of our lives. Her sensitivity would sensitize us. Her honesty would puncture our pretensions. Her spiritual insight would take us deep. Her beautiful literary style would fire our imaginations. And her love - for life, for family, for God - would recenter us on what matters most. Let's hope this is the first of many books from this talented new first-rate writer." -Brian McLaren, author/speaker

"This is a book you can taste. No lights or makeup, no clichés or pretense. It is raw. It is refreshing... So real that you can hear the baby in the background as Shauna reflects on the hidden sacredness of everyday life." - Shane Claiborne, author / activist / recovering sinner (thesimpleway.org)

"I could not put down this remarkable book. But after the last page, I wanted to hug my kids harder, really

taste the raspberries at dinner, and do a happy dance for the stunning gift of life. Shauna uses words to tap into the raw emotions of our humanity - joy, deep sadness, surprise, anger, jealousy, and most of all, delight. Not only do her stories open up a window into the life of this young woman, they also tap into all of our stories, reminding us of the wonder and privilege it is to walk for a time on this planet." -Nancy Beach, author/Willow Creek Association

"Shauna Niequist sets out to celebrate the often overlooked, sparkling details of life in her first book, *Cold Tangerines*. Through her collection of inspiring essays and stories, Niequist eloquently describes the seemingly insignificant fringes of our day-to-day lives, like the value of a favorite sweater or the sensation of being a solo traveler. The author demonstrates a keen prowess to tap into some of the deepest human emotions and describes her own with absolute sincerity. *Cold Tangerines* is not only a celebration of life's intricacies, but also a memoir of Niequist's life as an self-conscious teen, a wife and new mother, and a member of Willow Creek Church and the Mars Hill community. She writes: "I choose to believe that there may be a thousand big moments, embedded in this day, waiting to be discovered like tiny shards of gold. The big moments are the daily, tiny moments of courage and forgiveness and hope that we grab on to and extend to one another." *Cold Tangerines* offers a fresh perspective and outlook on life, bringing new hope to readers." -*Radiant Magazine*

Users Review

From reader reviews:

Linda Spaulding:

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each guide has different aim as well as goal; it means that book has different type. Some people really feel enjoy to spend their a chance to read a book. These are reading whatever they have because their hobby is usually reading a book. Think about the person who don't like reading through a book? Sometime, person feel need book if they found difficult problem as well as exercise. Well, probably you will require this *Cold Tangerines: Celebrating the Extraordinary Nature of Everyday Life*.

Beth Murray:

Here thing why this kind of *Cold Tangerines: Celebrating the Extraordinary Nature of Everyday Life* are different and reliable to be yours. First of all studying a book is good nonetheless it depends in the content of it which is the content is as scrumptious as food or not. *Cold Tangerines: Celebrating the Extraordinary Nature of Everyday Life* giving you information deeper as different ways, you can find any guide out there but there is no guide that similar with *Cold Tangerines: Celebrating the Extraordinary Nature of Everyday Life*. It gives you thrill studying journey, its open up your personal eyes about the thing in which happened in the world which is possibly can be happened around you. You can actually bring everywhere like in playground, café, or even in your means home by train. Should you be having difficulties in bringing the printed book maybe the form of *Cold Tangerines: Celebrating the Extraordinary Nature of Everyday Life* in e-book can be your choice.

Peggy Nunes:

Information is provisions for people to get better life, information nowadays can get by anyone on everywhere. The information can be a know-how or any news even a problem. What people must be consider while those information which is from the former life are challenging to be find than now's taking seriously which one is suitable to believe or which one the resource are convinced. If you obtain the unstable resource then you get it as your main information it will have huge disadvantage for you. All of those possibilities will not happen within you if you take Cold Tangerines: Celebrating the Extraordinary Nature of Everyday Life as the daily resource information.

Carla Floyd:

Reading a book being new life style in this yr; every people loves to read a book. When you learn a book you can get a lots of benefit. When you read publications, you can improve your knowledge, mainly because book has a lot of information onto it. The information that you will get depend on what sorts of book that you have read. If you would like get information about your review, you can read education books, but if you act like you want to entertain yourself look for a fiction books, this sort of us novel, comics, along with soon. The Cold Tangerines: Celebrating the Extraordinary Nature of Everyday Life will give you a new experience in examining a book.
