Editorial Review

Review

"Any physician performing hair restoration procedures, or any student planning to perform restoration, should read this text for new information and maintain a copy in her or her library ... required reading."
The American Journal of Cosmetic Surgery

"The editors enlisted the help of scores of experts in the field to write on various aspects of hair restoration. It is a literal "Who's Who" of hair transplant legends ... an excellent reference for both the experienced hair transplant surgeon and the novice. It will become the standard for academic organizations ... truly remarkable."

Hair Transplant Forum International

"Unger's latest text remains the "bible" in our field and the ultimate reference text that should be on the desk of every hair replacement surgeon ... strongly recommend[ed]."

Hair Transplant Forum

"An excellent summary of the past, present, and future of the field of hair transplantation."
