Editorial Review

Review

It is a great reference book for those with a special interest in infection control. Emergency nurses will find it a handy text to keep up to date with current policy and practice. Students will appreciate its long reference lists and its application to day-to-day nursing practice. This third edition is a valuable resource for everyone.

Accident and Emergency Nursing 2007

"I found this book interesting, informative and easy to read"

Louise Keightley, Ward Manager. Nursing & Therapies News, October 2007
