Editorial Review

Review

This is another fantastic Bible study resource from Kathleen. What comes across in all of her studies is a passionate love of the text and a disciplined study of its treasure, all while she shows us how it points forward to Christ. She not only uncovers the treasures that are to be found in these wonderful poems but, even more importantly, teaches us how to mine them for ourselves. --Carrie Sandom - associate minister for women at St John's, Tunbridge Wells and part-time lecturer at the Cornhill Training Course, London

Each time I pick up a Bible study written by Kathleen, I m certain she has composed a work that comes from her own delight in God s Word and her calling to provide excellent study guides for fellow students of Scripture. This study of Psalms is compelling and offers an invitation for us to explore the Psalms and learn how they connect to all of God s Word, pointing us ultimately to Christ. The women in our church will enjoy this study, I am sure, for it will show them what it means to be human beings before God and will train them in responding to him. --Kari Stainback, Director of Women s Ministries, Park Cities Presbyterian Church, Dallas
