The Hunted By Elmore Leonard

“Wonderful...razor-sharp.”

—*Los Angeles Times Book Review*

“Excellent....A plot and a chase as good as anything he has ever written.”

—*Bergan Record*

In Elmore Leonard’s *The Hunted*, “crime fiction’s greatest living practitioner” (*Washington Post*) carries the action far from his usual Detroit, Miami, and Los Angeles milieus, all the way to the Middle East. There no lack of excitement and suspense—and the trademark Leonard dialogue—in this superior tale of a fugitive hiding under the radar in Israel, until a well-publicized Good Samaritan act attracts the unwanted attention of well-armed Motown mobsters who are now coming to get him. The author who introduced the world to U.S. Marshal Raylan Givens (in his novels *Pronto* and *Riding the Rap*, before the lawman became the star of the hit TV drama *Justified*), the Grand Master shows why the *Ft. Lauderdale Sun-Sentinel* calls him “the all-time king of the whack job crime novelists,” and goes on to say that “Elmore Leonard tops them all”...including John D. MacDonald, Dashiell Hammett, James M. Cain, Robert B. Parker, and quite possibly every major mystery writer the U.S. has ever produced.

From the Inside Flap

From Miami to Detroit to Hollywood, Elmore Leonard has carved out a classic turf--and populated it with unforgettable schemers, wiseguys, misfits, and hit men. In **The Hunted**, Leonard goes international, as a man named Rosen runs from some Motor City mobsters--all the way to Israel--and a U.S. marine finds a perfect little war. Al Rosen is lying in bed with a beautiful divorcée when the hotel around them bursts into flames--and Rosen's photograph is captured on the news wire. Suddenly lawyers, guns, and money are

coming after Al. So are two guys with bombs. Rosen knows his high life in the Holy Land is over. What he doesn't know is that he's about to meet the best friend a fugitive could ever have: a U.S. marine who has been looking for a future or a fight, and is willing to kill for both....

From the Back Cover

Al Rosen was doing just fine, hiding out in Israel—until he decided to play Good Samaritan and rescue some elderly tourists from a hotel fire. Now his picture's been carried in the stateside press, and the guys he's been hiding *from* know exactly where he is. And they're coming to get him—crooked lawyers, men with guns and money, and assorted members of the Detroit mob who are harboring a serious grudge. Playtime is officially over. Rosen's a million miles from home with a bull's-eye on his back, and his only ally is a U.S. embassy marine who's been looking for a war . . . and who's damn well found one.

Users Review

From reader reviews:

Curtis Miller:

Here thing why this kind of The Hunted are different and dependable to be yours. First of all examining a book is good however it depends in the content from it which is the content is as delightful as food or not. The Hunted giving you information deeper and in different ways, you can find any reserve out there but there is no publication that similar with The Hunted. It gives you thrill reading journey, its open up your current eyes about the thing which happened in the world which is perhaps can be happened around you. It is easy to bring everywhere like in playground, café, or even in your way home by train. When you are having difficulties in bringing the branded book maybe the form of The Hunted in e-book can be your substitute.

Tom Carter:

This book untitled The Hunted to be one of several books in which best seller in this year, that is because when you read this book you can get a lot of benefit in it. You will easily to buy this particular book in the book retail outlet or you can order it via online. The publisher of the book sells the e-book too. It makes you more easily to read this book, as you can read this book in your Smartphone. So there is no reason to your account to past this e-book from your list.

Albert Frago:

Reading can called brain hangout, why? Because if you find yourself reading a book particularly book entitled The Hunted your brain will drift away trough every dimension, wandering in most aspect that maybe unknown for but surely will end up your mind friends. Imaging each and every word written in a book then become one application form conclusion and explanation that will maybe you never get just before. The The Hunted giving you a different experience more than blown away your mind but also giving you useful details for your better life on this era. So now let us show you the relaxing pattern this is your body and mind will probably be pleased when you are finished reading through it, like winning a casino game. Do you want to try this extraordinary investing spare time activity?

Paul Queen:

Reading a guide make you to get more knowledge from it. You can take knowledge and information from the book. Book is composed or printed or illustrated from each source which filled update of news. In this particular modern era like right now, many ways to get information are available for you actually. From media social similar to newspaper, magazines, science guide, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Are you hip to spend your spare time to open your book? Or just in search of the The Hunted when you desired it?
