Editorial Review

From [Booklist](#)

Boom! Studios is single-handedly responsible for a renaissance in quality franchise-character kids' comics, with The Incredibles, Toy Story, and their Harvey-winning Muppet Show. Interspersed with old sketch favorites like "Pigs in Space" and "Veterinarian's Hospital," Kermit and the gang face behind-the-scenes chaos stirred up by visits from Miss Piggy's nephews, Fozzie's mother, and Scooter's sister, whose ulterior motives bring a new twist of mystery to the proceedings. All the distinctive personalities come shining through, and the mix of corny vaudeville and savvy humor still scores, but the greatest triumph here is Mebberson's jaw-dropping art, which captures not only the precise look of the characters but also their ability to express themselves so powerfully using nothing but contortions of their mouths, keeping the feel of the book wonderfully true to Jim Henson's original Muppet magic. Younger readers who don't have the characters prewritten into their cultural lexicon may be caught off guard by the style of humor at first, but this book is a dandy way to discover the Muppets' incomparable charm. Grades 3-6. --Jesse Karp

About the Author

Earning critical acclaim for his creator owned work FRED THE CLOWN, the New Zealand born cartoonist Roger Langridge has made a name for his expressive art and sharply bittersweet storytelling. Langridge's work on FRED THE CLOWN has been nominated for two Eisner Awards, a Harvey Award, a Reuben Award and an Ignatz Award.

A former animation artist for Disney and LAIKA, Amy Mebberson is double threat as both a writer and an artist. She created the fan-favorite DIVALICIOUS for TokyoPop and has worked with BOOM! Studios on everything from THE MUPPET SHOW COMIC BOOK to FINDING NEMO. She currently resides Portland.
