The Oxford Handbook of Management Consulting (Oxford Handbooks) By Matthias Kipping, Timothy Clark

Management consultants of various kinds play an important role in the world of business, and within other types of organization. *The Oxford Handbook on Management Consulting* is a comprehensive overview of eminent thinking and research on management consultancy with contributions from leading international scholars.

The first section provides an account of the historical developments in management consultancy research, and how current thinking has evolved from prior work. The second section focuses on disciplinary and theoretical perspectives on management consulting, their diversities, areas of synergy, and parallel concerns. The following sections examine consulting as a knowledge business; the consultants in management fashion; and the relationship between management consultants and their clients. The Handbook concludes with an assessment of areas of future research and debate.

By bringing together a wide range of research and thinking on management consultancy across different disciplines, sub-disciplines, and conceptual approaches, the Handbook provides a comprehensive understanding of both current thinking and future directions for research.

Editorial Review

About the Author

Matthias Kipping is Professor of Strategic Management and Chair in Business History at the Schulich School of Business, York University in Toronto, Canada. He obtained his doctorate from the University of Munich and additional degrees in France and the United States and held previous appointments in the United Kingdom and Spain. He has published widely on management consultancy and its evolution, and co-edited with Lars Engwall a volume on *Management Consulting: Emergence and Dynamics of a Knowledge Industry* (OUP, 2002)..

Timothy Clark is Professor of Organisational Behaviour at Durham Business School, Durham University. He has conducted a series of research projects into different aspects of the work of management consultants which have resulted in influential publications in the area including *Managing Consultants* (Open University Press, 1995) and *Critical Consulting: New Perspectives on the Management Advice Industry* (2002, Blackwell, with R. Fincham).

Users Review

From reader reviews:

Jason Dolly:

Book is to be different per grade. Book for children until eventually adult are different content. We all know that that book is very important for people. The book The Oxford Handbook of Management Consulting (Oxford Handbooks) has been making you to know about other know-how and of course you can take more information. It doesn't matter what advantages for you. The guide The Oxford Handbook of Management Consulting (Oxford Handbooks) is not only giving you considerably more new information but also to become your friend when you experience bored. You can spend your own personal spend time to read your guide. Try to make relationship together with the book The Oxford Handbook of Management Consulting (Oxford Handbooks). You never really feel lose out for everything in case you read some books.

Deborah Browning:

Playing with family inside a park, coming to see the sea world or hanging out with good friends is thing that usually you will have done when you have spare time, in that case why you don't try matter that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The Oxford Handbook of Management Consulting (Oxford Handbooks), you can enjoy both. It is excellent combination right, you still desire to miss it? What kind of hang-out type is it? Oh seriously its mind hangout fellas. What? Still don't have it, oh come on its identified as reading friends.

Tammy Kovar:

Your reading sixth sense will not betray an individual, why because this The Oxford Handbook of Management Consulting (Oxford Handbooks) book written by well-known writer we are excited for well how to make book which can be understand by anyone who also read the book. Written throughout good manner for you, dripping every ideas and publishing skill only for eliminate your personal hunger then you still question The Oxford Handbook of Management Consulting (Oxford Handbooks) as good book not just by the cover but also by content. This is one e-book that can break don't determine book by its handle, so do you still needing yet another sixth sense to pick this specific!?! Oh come on your studying sixth sense already said so why you have to listening to yet another sixth sense.

Annie Hiatt:

As we know that book is very important thing to add our information for everything. By a reserve we can know everything we want. A book is a group of written, printed, illustrated as well as blank sheet. Every year has been exactly added. This reserve The Oxford Handbook of Management Consulting (Oxford Handbooks) was filled in relation to science. Spend your time to add your knowledge about your scientific disciplines competence. Some people has various feel when they reading any book. If you know how big advantage of a book, you can feel enjoy to read a reserve. In the modern era like currently, many ways to get book that you wanted.
