Editorial Review

About the Author

Dale W. Olson, Internationally renowned author, speaker, healer, and teacher blends both modern and ancient intuitive technologies for self-empowerment. His 44 years of experience in consciousness development, a B.A. in Psychology and a Master's in Transformational Medicine, bring a highly effective approach to Knowing Your Intuitive Mind. Dale, provides a step-by-step program that guides you in developing your ability to consciously experience your intuition, which in turn, allows you access to infinite information, knowledge, and wisdom. He points out that the part of our brain where your intuition resides does not have a language as you are accustomed to and it is a matter of learning and developing the communications lines between your mind and your intuition. Learning to use a pendulum is like learning any other skill and is simply, nothing more than an instrument that provides a language bridge between your mind and your intuition. Successful use of a pendulum is a matter of establishing a clear, precise, and consistent language between the two parts of the brain. Developing your Intuition allows you to make better choices, create greater success in all parts of your life, while increasing your health and well-being. Other books by Dale W. Olson are: The Pendulum Charts Volume I - The Doorway to Knowing Your Intuitive Mind, The Pendulum Charts II - The Intuitive Healers Manual, The Pendulum Bridge to Infinite Knowing, and Knowing Your Intuitive Mind, These books have assisted thousands in developing their Intuitive skills for: health & well-being solutions, self-empowerment, and intuitive decision-making skills for everyday challenges.
